AWARD

By reference No. L-14011/10/99-IR(DU) dated 27-2-1999, the Central Government in the Ministry of Labour, in exercise of powers conferred by clause (d) of sub section (1) and sub-section 2(A) of section 10 of the Industrial Disputes Act, 1947 (14 of 1947), made over this industrial dispute between the President, Centre of Indian Trade Union, Dehradun espousing cause of Smt. Nirmala Devi, Mahender Singh, Suresh Kumar and S.K. Goyal and the Director,

Instruments Research and Development Establishment, Raipur, Dehradun for adjudication.

The reference is re-produced as under :

"Whether the action of the Management of I.R.D.E. Dehradun in regard to exclusion from consideration for determining the eligibility for promotion to the next grade of Smt. Nirmala Devi, Admn. Asstt. 'A' S/Sh. Mahender Singh, Admn. Asstt. 'A', Suresh Kumar, Admn. Asstt. 'A' and S.K. Goyal, Store Asstt. 'A' w.e.f. 29-5-1998 is legal and justified? If not, to what relief these workmen are entitled and from what date?"

2. All the four admn. Assistants, (L.D.C.) viz., Smt. Nirmala Devi, Mahendra Singh, Suresh Kumar and S.K. Goyal, were appointed on transfer in the Instrument Research and Development Establishment, Raipur, Dehradun (hereinafter to be referred I.R.D.E.). Prior to it, on their appointment Smt. Nirmala Devi was working as Lower Division Clerk at Terminal Balastic Research Laboratory (TBRL), Chandigarh w.e.f. 2-3-1982. Likewise, Mahendra Singh and Suresh Kumar were working as Lower Division Clerk at Institute of Technology and Management (ITM), Mussoorie w.e.f. 1-8-1990 and 18-7-1991 respectively. S.K. Goyal was working as Store Keeper at Terminal Balastic Research Laboratory, Chandigarh w.e.f. 18-6-1990. These four Admn. Assistants sought their transfer on personal reasons to IRDE and accepted stipulated conditions to forego their respective seniority and to be junior most at the transferor establishment (IRDE). It is pertinent to note that prior to 20-5-98, each of the laboratories mentioned above, were independent units and seniority of the ministerial staff upto certain level, was determined and maintained, unitwise. However, this policy was changed w.e.f. 20-5-98 and a combined seniority list for ministerial staff was required to be drawn, irrespective of independent working units.

3. The workmen were transferred to IRDE before change in policy decision w.e.f. 20-5-98. On transfer they joined IRDE on 15-7-96, 24-4-96, 24-4-96 and 3-11-97 respectively. Their transfer orders and joining reports, specifically, mentioned that their transfers were on their own request and they are not entitled to any joining time/TA etc. Further, their respective seniority will reckon in the cadre of Lower Division Clerk, from the date they reported for duty in IRDE.

4. In pursuance of the changed policy decision, a provisional combined seniority list prepared by the management of the IRDE was circulated inviting objections. It is stated by the working management that the provisional combined seniority list mentioned initial date of appointment against names of the four workmen. This mistakes were, on account of inadvertance, and care was taken in correcting the list, by mentioning respective date of joining in IRDE.

5. The grievance of the workmen, is, that their date of initial appointments in their respective units, can not be ignored and the provisional list was correctly prepared. By substituting their date of joining in IRDE, and ignoring date of initial appointments without any notice to them was against the rule of natural justice. The core issue, thus, is whether the action of the management was legitimate and justified, in ignoring dates of initial appointments, in the combined seniority list, was legal and justified?

6. Main plea of the workmen, is, that on accepting initial dates of appointments in the provisional seniority list, it was not open to the management to change the dates later and this action was not justified. The management has assailed this plea and submitted that the provisional seniority list, no doubt mentioned initial date of appointments against

the names of the workmen, but, this inadvertant mistake was rectified and combined seniority list was correctly published. The publication of the provisional list was for inviting objections with a view to move rectification of the mistakes, if any. It was open to the management, on considering representations of the employees and also on coming to know these mistakes, to rectify the mistakes. The provisional combined seniority list was meant to be corrected, and would not confer any right or status to the workmen

7. Factual base of the individual workmen is not disputed. They were initially appointed at different laboratories/establishments. All these units were independent functionaries under the Ministry of Defence. Transfer from one unit to other on personal reasons and request, was permissible subject to waiver of seniority in the transfere unit. The workmen have not disputed this fact and also conceded that they had waived their seniority in the transfer unit, at the time of seeking transfer, and, joined the new establishment IRDE as junior most in the cadre of the Lower Division Clerks. They did not challenge their respective placement as junior most, at any point of time.

8. On waiving their respective seniority in their previous units and joining the IRDE as per stipulations in their orders, they ceased to have their lien alive, at their previous units. Their seniority at the previous units eclipsed automatically and can not be revised due to subsequent change in policy to prepare combined seniority list. They are estopped to claim inclusion of pre joining period in IRDE in combined seniority list. The policy decision dated 20-5-98 was not retrospective and has to take existing facts from the date of enforcement. The workmen were fully alive to this situation, at the time of seeking convenient posting and accepting placement as junior most. The combined seniority list was not an instrument to confer seniority but a statement to apprise the employees of their respective placings.

9. The Authorised Representative of the workman filed a bunch of literatures on the subject of 'seniority and Promotion', which are not very relevant in this case. No law is shown that waived seniority would stand revived, as per convenience of the waivers at a later point of time. Since the workman had on their own opted to be junior most in the IRDE, losing their lien in their previous working units, they are precluded to claim seniority from their initial dates of appointments in their previous units. Their claim is neither legal nor justified. Their eligibility to promotion would count from the date of their respective joining in IRDE. The action of the management is, thus, legal and justified. The workmen are not entitled to any relief.

10. Award accordingly.

The workman has stated that his appointment as Mazdoor by the management was wholly illegal since he was possessing all the requisite qualifications for his appointment as L.D.C.

5. In reply filed by the management the factum of the death of Shri Jamna Dass has not been disputed. The management case is that the workman was not possessing requisite qualifications for the appointment as L.D.C. or its equivalent post under the Management. The educational qualifications for the appointment as L.D.C. according to the management was matriculation with English as one of the subject. The management has further stated that since the workman was not possessing requisite educational qualifications he was advised to apply for his appointment on group 'D' post or to acquire requisite qualification i.e. to matriculation or its equivalent examination with English as one of the subject within a period of two years but the workman had shown his inability. The Management has further stated that the workman had thereafter given application on 16-5-92 and 6-2-93 for his appointment on group 'D' post and thereafter the vacancy of Mazdoor was released by the higher authorities on 30-6-95 and after completion of all the formalities for the appointment of the workman was given appointment as Mazdoor under the management on 10-1-97. According to the Management the reply of the representative of the workman was already sent to him.

6. In the rejoinder filed by the workman he had reiterated his allegations made in the statement of claim with respect to appointment on the post of L.D.C. or its equivalent post under the management since he was possessing required qualification of matriculation with English subject.

7. Record shows that both the parties have failed to file evidence in the case earlier on behalf of the management an affidavit of Shri Kul Bhushan Vasudeva was undoubtedly filed but the affidavit was not in a proper form being not sworn before the oath commissioner. Management was directed to file proper affidavit of witness which directions was not complied with by the management. Consequently management evidence was closed vide order dated 10-3-2000 and workman was directed to file his affidavit in evidence. He also failed to file his affidavit and an application by his authorised representative was moved for withdrawing his authority on behalf of the workman in the case. In view of the fact vide Order dated 12-1-2001 workman evidence was also closed. It is to be noted that prior to the application of the authorised representative of the workman for withdrawing his authority in the case since the petitioner had failed to make compliance of the order of filing his affidavit direction for proceeding ex parte against him was given on 17-11-2000.

8. I have carefully examined the workman case and I find that the workman has undoubtedly been given appointment on compensatory ground by the management as Mazdoor on 10-1-97. It is also true that workman could not be given appointment as L.D.C. or its equivalent post as desired by him because at the initial stage he had not passed matriculation examination with English and was not qualified for the said appointment. Admittedly Shri Jamna Dass father of the workman had died on 14-12-86 cause of action for giving employment to the heirs of the deceased Jamna Dass on compensatory ground arising after his death in the year 1986 on the own showing of the workman he had passed matriculation examination in the year 1989. It is recognised principle that employment to person on compensatory ground could be given according to eligibility and qualifications possessed by him and not the workman was certainly not possessing requisite qualifications for the appointment as L.D.C. or of its equivalent post at the time of death of his father. In view of the fact I find that the workman cannot claim for his appointment as L.D.C. or its equivalent post at subsequent stage. He has undoubtedly been given appointment by the management as Mazdoor on the application of the workman himself. Workman I find thus cannot say that his appointment was not in any manner proper and legal.

9. In view of the matter I find that it would be wrong to say that the workman was not given employment on compassionate ground by the management and the action of the management was in any manner unjust and improper. The term of reference is answered in affirmative and the award is given in the like manner.

For the Management: M/s. Ramasubramaniam Associates, Advocates.

AWARD

Schedule of Reference:

"Whether the action of the Management of Kalakeshetra Foundation in terminating the services of Shri T. Sanyajet Gond by their order No. F. No. 13/52/96-KF dated 29-4-98 is justified? If not, to what relief he is entitled?"

This dispute originally referred to Tamil Nadu Industrial Tribunal, Chennai for adjudication by the Central Government under the above reference which was taken on their file as I.D. No. 279/99, was subsequently ordered to be transferred by the orders of the Central Government to the file of this Tribunal for adjudication.

The Central Government by its order referred to above, has referred the Schedule mentioned dispute between the parties for adjudication by this Tribunal.

2. On receipt of this reference on transfer from Tamil Nadu Industrial Tribunal, this case has been taken on file by this Tribunal as I.D. No. 257/2001 on 24-1-2001 and notices were ordered to be sent by Registered Post to the I Party/Claimant, the President, Kalakeshetra Foundation Employees Congress, Nanganallur, Chennai and the counsel on record for the II Party to appear in this Court for this case on 09-02-2001. Accordingly, notices were sent to them by Registered post with acknowledgement due. Though the notices were served on 29th January, 2001 and the respective postal acknowledgements were received for the said service, when the matter was taken up for enquiry on the fixed date of enquiry i.e. 09-02-2001, both the parties were not present. The counsel on record for the II Party alone was present. There was no representation on behalf of the I Party. The I Party was called absent. Then fresh notice was ordered to be sent to the I Party by Registered Post with acknowledgement due, for the adjourned date of hearing on 23-02-2001 i.e. today. Accordingly, another notice was sent to the I Party Claimant by Registered Post with acknowledgement due informing them that this case originally taken on file by the Tamil Nadu Industrial Tribunal and by orders of transfer it has been received and taken on file and it is posted for hearing on 23-01-2001 i.e. this day. That notice was also duly served on the I Party Claimant and the postal acknowledgement was also received. When the matter was taken up for enquiry today, the learned counsel for the II Party alone was present and both the parties were not present. There was no representation for the I Party for this hearing also. A perusal of the record reveals that ever since the matter was taken on file on 8-12-1999 and notice was issued to the I Party, he remained absent for various hearings from 8-3-2000 till the last hearing in Tamil Nadu Industrial Tribunal on 6-12-2000, before the case has been transferred from their file to the file of this Tribunal on 9-1-2001. Subsequently, though two notices were sent by Registered Post with acknowledgement due to the I Party/Claimant, they have chosen to remain absent without making any representation for this case and no Claim Statement on behalf of the Claimant is filed. No one had come forward to represent the I Party/Claimant. From these non-representations by the I Party Union ever since the beginning, it is seen that the I Party Union is not at all interested in prosecuting this case as an existing industrial dispute as referred to, in the reference of Schedule. This attitude of the I Party Union, which espousing the cause of the aggrieved employee mentioned in the Schedule of reference by raising this industrial dispute clearly reveals that the I Party Union has no interest or inclination for prosecuting this dispute before this Tribunal for adjudication for the relief sought for in the Schedule of reference. Under such circumstances, this Tribunal has to conclude that no dispute exists between the parties.

3. In the result, this Tribunal pass an award holding that the dispute under reference does not exist and dismiss the claim of the I Party/Claimant mentioned in the Schedule of reference for non-prosecution. Hence, no relief is granted. No cost.

AWARD

By reference No. L-42012/138/99-IR(DU) dated 21-10-1999, the Central Government in the Ministry of Labour, in exercise of powers conferred by clause (d) of the sub-section (1) of section 10 I.D. Act, 1947 made over this industrial dispute between Dharampal an Executive Engineer, Sub Division V (Lucknow Central Divn. I) Central Public Works Department, Lucknow for adjudication. The reference is re-produced as under :

"Whether the action of the management of Central Public Works Department, Lucknow in terminating the services of Dharam Pal on 31-12-1994 was legal and justified? If not, to what relief the workman is entitled?"

2. The case of the workman Dharampal, is that he was engaged on the post of gardener, to maintain plants etc. over the vacant land situate inside the boundary of Training Institute, Central Board of Direct Taxes at Gomti Nagar, Lucknow. He remained engaged w.e.f. 23-12-1993 to 31-12-1994 and his payment was regulated at daily rate Rs. 40.57 per day. Though he worked for 324 days continuously, the management ignored his continuous association and entitlement to protection of section 25F I.D. Act. Abruptly, his services were terminated without assigning any reason.

3. The management speaking through the Executive Engineer, Mr. Arvind Chandra Verma, denied factual base and status of the workman by stating that he was not engaged as a casual labour but was assigned work for fixed

periods as per provision of Central Public Works Department Manual. Temporary and short term works, are allotted to interested persons by inviting quotations. For the same, the lowest tenderer, is allotted work, specifying the period of work and the rate per day payable to such contractor. No administrative or working control is exercised over such contractors. General guidelines to regulate works are prescribed. Time hours for working are not fixed and it is upto the contractor to see the work done either himself or someone under his guidance. Such contractors are not required to sign attendance sheets and their payments are regulated on certification of work days. Their tenure depends on expiry of the stipulated period of the contract.

4. Dharampal, the workman quoted lowest tender, from time to time, specifying rates per day. Incidentally, he was the lowest tenderers and as per rules, the work contracts were given to him. Periods of work were stipulated in the quotations and work orders etc. It is wrong to say that he was engaged as casual labour. The management further clarified in the oral statement of Om Prakash that short term work contracts were given for maintenance of plants over the vacant land, situate inside the boundary of the Training Institute, Central Board of Direct Taxes, since construction work had not begun by that time. It was further clarified during evidence that the rate per day varied in different contracts and it was never uniform. Rate was not fixed by the management, but was quoted by the workman himself and the management accepted his lowest tender. The management has denied existence of 'master' and 'servant' relations between the workman and itself.

5. The management further pleaded that Dharampal was not 'workman' within the meaning of the Industrial Dispute Act. It has also asserted that the Central Public Works Department is not an 'Industry'. Raising of this dispute before the Industrial Tribunal is illegal and this court has no jurisdiction to adjudicate the reference.

6. Both parties led oral and documentary evidence. Dharampal denied to have filed any tender and he also denied his signatures over the quotations, work orders and other allied documents relied by the management. His disputed signatures were examined by the hand writing expert who opined that his signatures over the quotations etc. were forged. Mr. M. P. Gupta, the expert was also examined.

7. Before adverting to discuss status of the workman, Dharampal, it seems appropriate to evaluate expert evidence. This exercise is necessary as workman has denied his signatures over the quotations etc., while the management banks on his being the contractor. In light of the principles laid down by the Apex Court, Central Public Works Department is an industry and the submission by the management to the contrary is unacceptable.

8. The opinion of the expert is not convincing. The admitted signature of Dharampal found forged by the expert. From scrutiny of various disputed and non-disputed signatures, it appears that curvatures thrusts and other elements are similar, and belong to the same person viz. Dharampal. Payments were received by the workman as per quoted rates from time to time for the stipulated periods. These rates varied. There is no material on record to show that the management had fixed daily wage or paid the workman accordingly.

9. The workman claims his engagement as a casual labour, but the management evidence proves his introduction to work by way of contracts. Dharampal received various payments on varying rates quoted by him at the time of the contracts. The submission of the authorised representative for the workman, is, that the practice of engaging petty works contractors was a device to defeat workman's entitlement. It is pleaded that work contract or rate contract procedures are illegal. It is undeniable that Dharampal worked for stipulated periods as per different contracts and he was paid as per the rate quoted in his tenders. The rates varied from time to time and payments were also made with changed rates and not uniform rate by the management. There is no material on record to hold that the workman, had status of the casual labour.

935 GI/2001—26

10. It is pleaded by the management that on cessation of the contract periods, relation inter-se stood snapped. Dharampal accepted the status of a work contractor and received payments accordingly. His case does not fall in the definition of "Retrenchment" to made him entitled to benefits of section 25F. Even he be accepted as workman, he failed to prove existence of 'master' and 'servant' relations. The material issue is not period/days of work, but the legal capacity in which work was done.

'Retrenchment' is defined under section 2(oo) of the I.D. Act, which is reproduced:

(oa) "retrenchment" means the termination by the employer of the service of a workman for any reason whatsoever, otherwise than as a punishment inflicted by way of disciplinary action but does not include—

(a) —

(b) —

(bb) termination of the service of the workman as a result of the non-renewal of the contract of employment between the employer and the workman concerned on its expiry or of such contract being terminated under a stipulation on that behalf contained therein.

(c) —

11. The workman Dharampal was not engaged as casual labour but introduced to work on the basis of his tenders quoting lowest rates. The work was temporary and for short duration, till construction of Training Institute Central Board of Direct Taxes started. He accepted payments on his own quoted rates which imply his acceptance of status of a work contractor. There is nothing on record to show that he accepted himself as casual labour, before raising this dispute. Taking his status as work contractor, his case falls in exception clause (bb) of sub section (oo) of section 2, I.D. Act. His relation with the management snapped as soon as the stipulated period of contracts expired. Section 25F has no application in this case.

12. Total period of work is counted to be 324 days by the workman. This period is not continuous one, but sum total of stipulated days in various work orders as per contract. In these periods, the rate of payment was not uniform but the same quoted by the workman from time to time. Section 25F is not applicable in this case as there was no "retrenchment" as per law.

13. Thus, the workman Dharampal is not entitled to benefit of Section 25F I.D. Act, in the facts and circumstances of the case. Since master and servant relation did not exist between him and the management, there was no termination of employment. The reference is answered against the workman Dharampal, holding him, not entitled to any relief.

Award accordingly.

Employers in relation to the Management of
The Director (Drilling), Geological Survey of India Drilling

In-Charge, Geological Survey of India

AND

Their Workman Shri Kasam S/o Mehaboobkhan Pathan

AWARD

The Central Government, Ministry of Labour, New Delhi, by exercising the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of section 10 of the Industrial Dispute Act, 1947 has referred this dispute for adjudication vide order No. L 42011/90/99/IR(DU) dated 13-3-2000 on the following schedule.

SCHEDULE

"Whether the action of the management of Director (Drilling)/Drilling In-Charge, Geological Survey of India, Calcutta/Warora Camp in not reinstating in to the services with full back wages of Shri Kasam S/o Mehaboobkhan Pathan is legal and justified? If not, to what relief the workman is entitled and from which date?"

The statement of claim has been submitted by Kasam S/o Mehaboobkhan Pathan on 25-5-2000 on the ground that he was an employee in the Coal Drilling Division, Geological Survey of India, Camp at Warora, District Chandrapur Maharashtra. He was continuously working from 1-2-96 to 31-3-99 as contingent worker with driller in charge of the camp at Warora. He was getting monthly wages Rs. 1323. On 31-3-99 his services were orally terminated without following the procedure laid down in the Law. The other co-workers are working.

He was performing the duty of watchman, attendant and typist-cum-clerk. He was issued certificates on 12-11-96, 5-2-97, 8-2-97, 1-12-98 and 2-4-98 about the work done by him. He has claimed re-instatement and back wages.

The management through Director (Geology), Geological Survey of India, Nagpur Division contested the case. In the written statement it is mentioned that the workman Kasam did not work continuously for the period mentioned by him. He worked during the following period :

- (1) 1-2-95 to 30-7-96 (with a Geologist)
- (2) 2-8-96 to 28-1-97 (with Surveyor)
- (3) 1-10-97 to 31-3-99 (with Drilling camp)

The management has taken the plea that casual workers are engaged by the department due to sudden urgency of work purely on temporary basis. They are not employed against any permanent post. They are given specific types

of work for short period and when the work is over in that area they are not transferred to any other place. As the workman was engaged for casual type of work, no show cause notice or departmental enquiry is required. He was not performing the duty of the clerk or typist. The casual workers are engaged for shifting, loading unloading work etc. on purely temporary basis.

I have considered the oral and documentary evidence produced by both the parties and have considered oral and written arguments submitted by the advocates of both the parties

Counsel for management Shri P. V. Shinde and the counsel for the workman Shri S. G. Shukla, Advocate argued the case.

Shri N. K. Dutta appeared as witness for the management. He stated that the certificate dated 12-6-1996, 5-2-97, 8-2-97, 1-12-98 and 2-4-99 have been issued by the officers of his department. These officers were not authorised to issue certificates. These certificates are not in the record of their office. From 1-2-96 the work was done by the workman at Warora. Workman was not given any job of L.D.C. On 31-3-99 the drilling work started in other area and from there the local persons were taken for the work. Kasam was not called for any work after 31-3-99.

In his cross examination the workman Kasam stated that from 1-2-96 he is working in the office of Geological Survey of India as Clerk-cum-Typist. He does not say in his statement as to what are his qualifications. His statement does not disclose that he was employed after appearing in any test for the clerk, conducted by the department. He says that he had signed in the muster roll. This workman, in his statement of claim has mentioned that he was employed as casual worker and was getting wages Rs. 1323. He was performing the duty of watchman and attendant also. In the written arguments submitted by the counsel, it is mentioned that he was getting Rs. 1323 as wages. Thus, it is clear that workman Kasam Pathan was working as casual worker. He was not employed as a clerk.

The counsel for the management has argued that the survey and exploration work of minerals is taken up by the department through casual workers. No seniority list of these workers were prepared. The workman is a casual worker and was paid wages on voucher paid basis.

However, it is admitted by both the parties that the workman has worked as the casual worker for the period given below :

- (1) 1-2-96 to 30-7-96
- (2) 2-8-96 to 28-2-97
- (3) 1-10-97 to 31-3-99.

In the above circumstances and admission of the parties the workman can be given work at the sites where the drilling work is going on. The certificate issued by the officers of the department dated 5-2-97 shows that the workman Kasam Pathan was working in Camp Warora from 2-8-96 to 28-1-97.

The department has also submitted letter No. A 12034/51 77-99/Vol. II dated 1-9-99 that vide OM No. 7(3)/E (Coord)/99 dated 5-8-99 that Ministry of Finance has imposed ban on filling up of the vacant posts.

In the circumstances discussed above the workman has experience of the work and he can be taken for the work where the drilling work is being taken up at present.

ORDER

The workman Kasam S/o Mehaboobkhan Pathan shall be provided work at the sites where drilling work is going on

at present on the basis of his experience. He is not entitled to any other relief.

The reference is answered accordingly.

Dated : 7-2-2001.

AWARD

On consideration of the existing of industrial dispute between the parties namely Partap Singh the workman and All India Radio/Doordarshan, New Delhi referred to as Management Central Government in the Ministry of Labour has sent this reference under sections 10(1)(d) and 10(1)(A) of the I.D. Act, 1949 (hereinafter referred to as Act) for the adjudication of the Industrial Dispute vide Order No. L-

42011/12/95-JR.(D.U.) dated 27/28-12-95 on the following terms :—

"Whether the action of the Management of AIR, New Delhi in terminating the services of Shri Partap Singh, Fitter on daily rated/muster roll w.e.f. 26-12-87 is justified? If not, to what relief the concerned workman is entitled and from what date?"

2. Statement of claim, written statement and rejoinder have been exchanged by the parties.

3. The workman's case provisionally narrated is that he was employed as fitter under the management and had joined his services w.e.f. 6-6-82. His services were terminated w.e.f. 26-12-87 without assigning any valid reason.

4. The workman has asserted that he was being treated as daily rated/casual and muster roll employee and was paid his wages on a fixed rate revised from time to time under minimum wages Act by the appropriate Government. It is further stated that the counter parts of the workman doing the identical work were treated as regular employees and were paid their salary in the pay scale of Rs. 260—400 revised as 950-1500 w.e.f. 1-1-86 with other allowances usual allowance and other benefits of E.L., Casual Leave, Medical Leave etc. It is further stated that the job performed by the workman was of permanent and regular nature. The action of the management for employing persons on regular job and treating them as daily rated casual worker for indefinite period and paying them lesser remuneration than those doing the identical work and the work of same value amounts to unfair labour practice as provided in section 2(ra) read with item No. 10 of Vth Schedule and read with section 25-T punishable under section 25-U of the Industrial Disputes Act, 1947. The termination of the workman was violative of sections 25-F, G and H of the Act. It is again stated by the workman that since he was appointed w.e.f. 6-6-82 for indefinite period hence he would be deemed to be employed on permanent basis. He was permanent fitter. No rules or regulations for governing service conditions of the daily rated casual muster roll employees was either framed by the management or by U.P.S.C. and thus the Model Standing Orders framed under Industrial Employment Standing Orders under 1946 were applicable to the workman as well as to the Management. The workman had acquired a permanent status in the employment from his initial date of appointment after completing 90 days of continuous employment as provided under the Model Standing Orders. That apart the workman had also completed 240 days of continuous employment and thus he would be taken into the employment on regular basis. In terminating services hostile discrimination has been shown by him meted out to him since junior persons were retained in service. The Management has further given employment to one Man Singh in the place of the workman on permanent and regular basis in proper pay scale. No misconduct by the workman was ever committed.

5. It is further stated by the workman that his termination was in fact retrenchment within provisions of the Act. The provisions of section 25 of the Act were necessary to be complied with before his termination which has not been done by the management. The management according to the workman has also failed to display any seniority list and to give notice or notice pay to him. He was also not offered any reemployment compensation. The workman has again stated that his termination is further violative of section 25 G, H, N. of the Act. Despite services of the deand notice through registered post communicated to the management vide communication letter dated 15-12-93 nothing favourable to the workman was done.

6. The Management's case in the written statement is that of total denial of all the allegation of the workman made against the illegality of his termination. The management has specifically taken the plea of self abandonment of service by the workman w.e.f. 16-5-83 and thus according to the management question of workman's termination never arises. The Management has however, not denied the appointment of the workman but has stated that the workman was actually engaged w.e.f. 6-7-82.

7. The Management has prayed for rejection of the workman's claim.

8. The workman in the rejoinder has reiterated his allegations made in the statement of claim.

9. It appears that vide order dated 16-6-2000 management was ordered to be proceeded ex parte. The management's application for recalling ex parte order was also rejected on merit on 5-1-2001.

10. Workman has only filed his evidence by way of his affidavit and has examined himself as WW1 and proved his affidavit marked as Ex. WW 1/1.

11. Arguments on behalf of the workman heard and necessary material perused. At the first stage I find it necessary to examine and discuss the management's plea of self abandonment of service by the workman. In this respect it is stated by the management that workman had stopped working w.e.f. 16-5-83.

12. It is denied by the workman in his rejoinder.

13. Hon'ble Supreme Court of India while dealing with the subject of self abandonment of service in *C. T. Lad Vs. Chemical and Fibres of India Limited* 1979 (1) SCC 599 has observed that the abandonment or relinquishment of service is always a question of intention and normally such an intention cannot be attributed to an employee without adequate evidence in that behalf. It is question of fact to be determined in the light of the surrounding circumstances of each case. Temporary absence is not ordinarily sufficient to constitute an abandonment of office. To constitute an abandonment of service there must be total or complete giving up of duties as to indicate an intention not to assume the same. Thus in my view the burden of proving self abandonment of service by the workman was on the management. Management has not produced any material in support of his case and mere allegation of self abandonment made in the written statement without its proof I find cannot be accepted as truthful. The Management has failed to show that any letter or direction was given to the workman on his alleged stopping of work w.e.f. 16-5-83. Management's plea thus is not accepted.

14. Now coming to the workman's case of termination of his services besides the various pleas taken by the workman against his termination one of the plea which is taken is that the termination is violative of Section 25-F of the Act.

15. On a bare perusal of Section 25-F of the Act it is found that the services of an employee which has remained in continuous service for one year prior to the date of the termination could be terminated only after complying with the conditions laid thereon. Under Section 25-F of the Act it is necessary that the workman has been served with one month notice in writing giving reasons for his retrenchment and he has also been paid retrenchment compensation equivalent to 15 days average pay for every completed year of continuous service or any part thereof in excess of six months.

16. In the present case I find that undoubtedly the workman's termination is covered under the definition of retrenchment given in Section 2(o) of the Act. Since it does not fall in any of the exceptions mentioned therein. It is true that for the application of Section 25-F of the Act it is necessary to find out at the first stage whether the workman had remained in continuous service for one calculated backward from the date of the termination.

17. Section 25-B of the Act defines about the continuous service. Its sub-clause (ii) comprehends a situation where a workman is not in employment for a period of 12 calendar months but has rendered service for a period of 190 days. In case of an employee working below ground under a mine and 240 days in other cases within period of 12 calendar months possessing counting backward from the relevant date i.e. the date of retrenchment.

18. In the present case workman has alleged that on completion of 240 days of continuous work he has attained permanent status in service. The workman's case subsequently is that he was terminated from service w.e.f. 26-12-87. The

Management though has stated that the workman had stopped working w.e.f. 16-5-83 but the assertion of the management. In view of the fact that no proof has been given cannot be accepted. The fact as alleged by the workman that his services were terminated w.e.f. 26-12-87, I find has well been established by the workman. In the affidavit it has clearly been stated the workman has examined himself on oath and has proved his affidavit he has not been cross-examined by the management. Thus I do not find any reason to disbelieve him. The workman's assertion made in this respect in my view finds further support from a document also. The workman has filed a photo copy of his application/representation given in the department for the payment of equal pay to him. The document is D-17 of the list of the documents of the workman. It is admitted by the management vide endorsement made on it. Hence authenticity of the said document in my view cannot be doubted. A perusal of the said letter of representation shows that the workman has specifically mentioned the period of his service as 1-6-82 to 24-12-87. It I find further clinches the issue in favour of the workman that he had continued to work upto 24-12-87. There is nothing on the record to show that services of the workman was in any manner incorporated during this period. In view of the fact I do not find any reason to disbelieve the workman that he had not completed 240 days of his continuous working. The provisions of section 25-F of the Act thus in my view squarely applies in the workman's case.

19. Undisputedly the compliance of section 25-F of the Act has not been done by the management and the termination of the workman thus can well be held as void ab initio. In view of the fact that the workman's termination has been held void ab initio I find that on the basis of the authority of *Mohan Lal Vs. Management of M/s. Bharat Electricals Limited* 1981 S.C.C.L.N.S. 478. The workman should be deemed to be in continuous service throughout and the order of his reinstatement is not necessary to be passed. Now since the termination of the workman has already been found as void ab initio I do not find it necessary to proceed in further to discuss the other pleas taken by the workman against the legality of the termination.

20. In view of the matter I find and hold that the termination of the services of the workman was void and inoperative and it is declared that the workman shall be in continuous service with all consequential benefits with full back wages admissible to him under law. The terms of reference is replied accordingly and the award is given in the like manner.

S. Jothivani and the counsel for the Management Sri K. Sivajothi, Additional Central Government Standing Counsel and this dispute having stood over till this date for consideration, this Tribunal passed the following:—

AWARD

This reference by the Central Government in the exercise of the power conferred by Clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of Industrial Disputes Act, 1947 in respect of dispute between Sri G. Guru Venkatarajan, Workman and the Superintendent of Post Offices, Pattukottai Division, Pattukottai, Management mentioned as Schedule appended to the order of reference.

The Schedule reads as follows:—

"Whether the action of the management of Supdt. of Post Offices, Pattukottai in removing Shri G. Guru Venkatarajan from the services of EDBPM, Andami is justified? If not, to what relief the workman is entitled?"

On receipt of this reference, this Industrial Dispute has been taken on file of this Tribunal on 17-2-2001 as Industrial Dispute No. 79/2000. On receipt of notice from this Tribunal, both the parties appeared with their respective counsel and filed the respective Claim Statement and Counter Statement with their respective documents.

2. The averments of the Claim Statement of Claimant/I Party are briefly as follows:—

The I Party/Claimant Sri G. Guru Venkatarajan (herein after referred to as Petitioner) was employed as a leave substitute for one Sri G. Ananthakrishnan, Extra Departmental Branch Post Master, Andami, B.O., with effect from 20-10-98. The Petitioner even though initially was nominated by the regular holder as leave substitute, after some months the said Sri G. Ananthakrishnan has not applied for extension of leave but remained absent. From the date the regular holder of the post, Sri G. Ananthakrishnan was absent unauthorisedly, the Petitioner was appointed on provisional basis and the pay & allowances for him were disbursed in the name of the Petitioner as provisional appointee. In view of the unauthorised absence of the regular holder of the post, disciplinary proceedings were initiated against him which ended in dismissal from service by a memo B. 7/5/PT dated 17-11-99 issued by the Superintendent of Post Offices, Pattukottai Division, Pattukottai. The nomination for stop-gap arrangement of the Petitioner as a leave substitute ended with the regular holder was remained absent unauthorisedly and as such the Petitioner was permitted to work in the same post on provisional basis. There is no provision in the statutory rules for appointment for the post of Extra Departmental Agent to appoint a candidate as a stop-gap arrangement. The authorities can appoint a candidate as an Extra Departmental Agent on provisional basis or on regular basis. The Petitioner was working as Extra Departmental Branch Postmaster, Andami B.O. without any break with effect from 20-10-98. The Postal authorities forcibly took the charge of office which the Petitioner was holding on 10-6-99 and handed over the charges to Mail Overseer Sri Uthirapathy. The Petitioner had rendered his services for more than 240 days in the Respondent department without any break and as such the Petitioner is entitled for the provision of Industrial Dispute Act. Before terminating the services of the Petitioner, he has not issued with any notice or order of termination. Immediately after terminating his services, the postal authorities have issued a local Notification calling for applications to fill up the post of Extra Departmental Branch Postmaster, Andami, B.O. in which the Petitioner was working on regular basis. Aggrieved by the act of the Postal authorities, the Petitioner approached the Hon'ble Central Administrative Tribunal, Madras Bench in O.A. No. 577 of 1999, challenging the Notification and posting Mail Overseer, Sri K. Uthirapathy, to work in the place of the Petitioner. The Hon'ble Central Administrative Tribunal by its order dated 7-6-99 was pleased to order status-quo and in view of the interim orders passed by the Hon'ble Tribunal, it was pleased to dismiss the original Application stating that the appointment of the Petitioner was not on provisional basis. The Petitioner was serving the department for more than a year as a leave substitute and as well as a provisional appointee. He served as a leave substitute for merely 151 days and on provisional basis merely 285 days and as such the Petitioner is entitled for the protection enshrined under section 25(f) of the Industrial Disputes Act. The person who had worked for more than 240 days in a year has to be offered with a show-cause notice or notice pay, in lieu of the termination. But in the instant case of the Petitioner, termination has been ordered without issue of any notice and without paying any notice pay in lieu of termination. As such termination of the Petitioner is abinitio void, illegal and is liable to be set aside. Moreover, the postal authority has adopted a unfair labour practice by exploiting the labour by terminating them without any rhyme or reason. The postal authorities ought to have followed the procedure laid under relevant Act and Rules and violation of the same shows the non-application of mind and the illegal and arbitrary exercise of powers by them. During his service, the Petitioner has not come to any adverse notice of his superiors. If at all the service of the Petitioner is to be terminated for any mistake on the part of the Petitioner, the authority ought to have followed the procedures enshrined under Article 311(2) of the Constitution of India by giving him an opportunity to explain his case and the failure of the same is in violation of the principles enshrined under the Constitution of India. The Petitioner was drawing a sum of Rs. 1890 per month towards pay and allowances at the time when he was terminated from service. Aggrieved by the illegal and arbitrary act of the Respondent in terminating the services of the Petitioner, he filed a petition under Section 2(A) of the Industrial Disputes Act, 1947 before the Labour Enforcement Officer, Trichy and since

the postal authorities have not agreed for the conciliation proceedings, the matter was referred by the Ministry to this Tribunal for adjudication. Hence, this Tribunal may be pleased to pass an award setting aside the order of termination of the Petitioner from the post of Extra Departmental Branch Postmaster, Andami, B.O., Pattukottai Division, Pattukottai and directing the postal authorities to reinstate the Petitioner in service with all concomittant services and monetary benefits.

3. The averments in the Counter Statement of the II Party Management/Respondent are briefly as follows:—

The Superintendent of Post Offices, Pattukottai Division, Pattukottai, the II Party Management (hereinafter referred to as Respondent) submits that the claim of the Petitioner that he was appointed on provisional basis is incorrect. In fact, the brother of this Petitioner Sri G. Ananthakrishnan, the regular incumbent was granted leave without allowances for his absence at five spells of different number of days from 16-10-98 to 24-2-99. In this, the last spell of leave, he applied for was from 1-2-99 to 5-3-99 but the leave was curtailed upto 24-2-99. The said Sri G. Ananthakrishnan, the regular incumbent has nominated his own brother, the Petitioner as his leave substitute on his own response during the above said period, subject to the conditions of Rule 5 of Posts and Telegraphs Extra Departmental Agents (Conduct and Service) Rules, 1964, that his leave substituted would be in the nature of contractual basis between themselves, that the leave substitute would not claim any further appointment with this Respondent, that his leave substitute would discharge the functions of the regular incumbent in good faith and to the satisfaction of the master, the regular incumbent and this Respondent, till the regular incumbent resumes his duties and that the allowances however, would be disbursed to the leave substitute directly by the Respondent Department. Thus, this Petitioner had no contract with this Respondent either expressly or impliedly and the status of the Petitioner is only the nominee of the master, the regular incumbent in whose responsibility the servant, the Petitioner herein, was functioning by then. Therefore, the Petitioner was allowed to continue as leave substitute, till provisional appointment was made in view of the one Sri G. Ananthakrishnan, the Petitioner's master. The regular incumbent overstayed and ignored to rejoin duty. The Petitioner herein by virtue of his position as leave substitute/nominee of the regular incumbent, was allowed to continue, till provisional appointment was made. The post of Extra Departmental Agents are made by executive instructions only and as such the Respondents can appoint a person either on adhoc, temporary, stop-gap arrangement, provisional or regular basis, as the case may be in the circumstances warranted for. The claim of the Petitioner that he worked on provisional basis upon the unauthorised absence of regular incumbent is false. The Hon'ble Central Administrative Tribunal Chennai Bench by its interim order dated 5-7-99 in O.A. No. 588/99 was pleased to allow the Petitioner to discharge duties of regular incumbent and the said O.A. filed by the Petitioner was subsequently summarily dismissed by the Central Administrative Tribunal by its final order dated 31-12-99, holding that the Petitioner is not at all a provisional appointee. The Respondent came to understand that Sri G. Ananthakrishnan, the regular incumbent had left India without instructions to Government, and that allowing his leave substitute, the Petitioner herein, to discharge the functions of the regular incumbent thereafter would entangle the Respondent, who initiated action for making provisional appointment to the post and therefore, the Petitioner was discharged from the functions of the regular incumbent by placing the Mail Overseer of the Respondent department in charge of the regular incumbent. In as much as, the Petitioner having been a leave substitute for the regular incumbent during the material period, there was actually contract between his master, the regular incumbent and the Petitioner and this Respondent does not have any liability with the Petitioner on any ground. The Petitioner herein was neither a servant within the purview of Constitution of India, nor a worker within the ambit of Industrial Disputes Act, in so far as this Respondent is concerned. In as much as, the Petitioner was never having any master-servant relationship with the Respondent and in fact, he being a servant to the regular incumbent of the post only, the Petitioner is not entitled to be protected under Article 311(2) of the Constitution of India nor is the Petitioner required to

be protected under Section 25F of the Industrial Disputes Act. Therefore, this Hon'ble Tribunal may please be dismissed the above petition with cost.

4. When the matter was taken up for enquiry, the learned counsel appearing on either side consented for marking the documents produced on either side as Exs. M1 to M7 and W1 to W4. Then the arguments advanced by the learned counsel on either side were heard.

5. The point for my consideration is "whether the action of the Management of Superintendent of Post Offices, Pattukottai in removing Sri G. Guru Venkatarajan from the services of EDBPM, Andami is justified? If not, to what relief the workman is entitled?"

6. It is the common case of both the parties that one Sri G. Ananthakrishnan, brother of the Petitioner was working as Extra Departmental Branch Postmaster, Andami, B.O., as the said regular holder of that post went on leave, the Petitioner was employed as leave substitute by the Respondent. He was nominated by the regular holder as his leave substitute. It is also admitted that after some months, the said Sri G. Ananthakrishnan has not applied for extension of leave, but remained unauthorisedly absent and the Respondent initiated disciplinary proceedings against the regular holder of the post, Sri G. Ananthakrishnan for his unauthorised absence and dismissed him from service by a Memo No. B. 7/5/PT dated 17-11-99. It is also admitted that the Petitioner Sri G. Guru Venkatarajan, brother of Sri G. Ananthakrishnan was working as a substitute nominee of his brother between the periods 16-10-98 to 10-6-99 when his brother was on unauthorised leave, without allowances. Ex. M1 is the xerox copy of the memo dated 24-2-99 issued by the Respondent, Superintendent of Post Offices, Pattukottai Division. In that it is stated that Sri G. Ananthakrishnan was permitted to proceed on leave without allowances for 23 days from 2-2-99 to 24-2-99 and the Petitioner Sri G. Guruvankatarajan is appointed as his substitute on the clear understanding that the substitute may be discharged by the appointing authority at any time without assigning any reason. Ex. M2 is the xerox copy of a memo dated 12-4-99 issued by the Respondent to the regular holder of Sri G. Ananthakrishnan. In that memo, a direction was given to Sri G. Ananthakrishnan to resume duty immediately. Ex. M3 is the xerox copy of Memo No. B. 7/5/PT dated 7-6-99 issued by the Superintendent of Post Offices, Pattukottai Division, Pattukottai, to the Assistant Superintendent of Post Offices, Pattukottai Division, Pattukottai. In that memo, instructions have been given to relieve immediately the substitute of Sri G. Ananthakrishnan by deploying a Mail Overseer as BPM, Andami temporarily and intimate the compliance. Ex. M4 is the xerox copy of the charge memo dated 17-6-99 issued to the regular holder of the post Sri G. Ananthakrishnan. In that charge sheet, the unauthorised absence of the said regular holder for the period of 155 days on different spells has been mentioned. Ex. M5 is the xerox copy of report of the Enquiry Officer, who conducted the enquiry in pursuance of the charge sheet issued to Sri G. Ananthakrishnan. For that enquiry also since Sri G. Ananthakrishnan, charge sheeted employee remained absent, the enquiry was conducted ex-parte and the Enquiry Officer has given findings in the enquiry report that the charges levelled against Sri G. Ananthakrishnan in the original of Ex. M4 have been proved. Ex. M6 is the xerox copy of the proceedings dated 18-11-99 by passing a final order of dismissal from service against the regular holder of the post Sri G. Ananthakrishnan, by the Superintendent of Post Offices, Pattukottai Division, Pattukottai. All these documents are not disputed by the Petitioner. Ex. W1 is a xerox copy of an inspection report dated 8-6-99 on Andami B.O. In that report, the name of the Petitioner Sri G. Guruvankatarajan has been mentioned as "on temporary arrangement from the month of September, 1998 in the place of Sri G. Ananthakrishnan, regular BPM". Ex. W2 is a xerox copy of the representation given by the Petitioner to the Superintendent of Post Offices, Pattukottai Division, Pattukottai. In the said representation he has submitted that he was working as a leave substitute on 10-6-99. Ex. W3 is the xerox copy of the another representation dated 25-6-99 of the Petitioner to the Postmaster General, Trichy. In that also he has admitted that he was working in the leave vacancy on temporary basis as BPM, Andami. W4 is the xerox copy of pay bill issued to the Petitioner Sri G. Guruvankatarajan for the month of

November, 1999. In that also it is mentioned as allowances only. Subsequent to that action was taken against the brother of the Petitioner, Sri G. Ananthakrishnan for unauthorised absence and order has been passed by the Respondent by removing him from service. As a temporary arrangement a Mail Overseer had been taken charge of the post from the Petitioner, as it is seen from Ex. M3, Ex. W2 and W3. From this it is evidently clear that the Petitioner has been appointed by the Respondent only as a substitute of his brother in the leave vacancy caused by his brother, who is a regular holder of the post. It is alleged in the Claim Statement that the Respondent either can appoint a candidate as Extra Departmental Agent on provisional basis or on regular basis. In the EDA Conduct and Service Rules (8), provisional appointment of substitute till absorption of ED Agent in regular departmental post has been mentioned. It is made clear under that Rule as follows :—

"If a vacancy in regular post against which an ED Agent is appointed for a short duration, only then he may provide his own substitute subject to the same conditions as in the case of ED Agent proceeding on leave. If, however, an ED Agent is appointed to a regular departmental post for an indefinite period and there is no likelihood of his returning as ED Agent, then the appointing authority should make arrangements to fill up the post of ED Agent in the normal manner by calling for cases."

Under Rule 8, it is stated as follows :—

"If an ED Agent is appointed against a regular departmental post for an indefinite period and there is no likelihood of his returning as ED Agent, then the appointing authority should make arrangements to fill up the post of ED Agent in the normal manner by calling for applications."

The available material in this case clearly shows that the appointing authority, the Respondent herein, had acted only as per the Rules mentioned in EDA (Conduct and Service) Rules. For the unauthorised absence from duty of the regular holder of the post, Sri G. Ananthakrishnan, brother of the Petitioner, disciplinary action has been taken and he has been removed from service. In view of this, the Petitioner, who was serving in the post as a nominee of his brother has been asked to handover the post to the Mail Overseer as per the orders of the appointing authority under Ex. M3. So the position of the Petitioner who was employed as a substitute/nominee of his brother came to an end, when the regular holder of the post services were terminated by the appointing authority. The Petitioner can claim any right to the post only as a nominee to the regular holder of the post. When his brother's (regular holder of the post) services itself has been terminated by the appointing authority, after taking disciplinary action for his misconduct of unauthorised absence, the Petitioner who is only a nominee of his brother cannot claim better right to the post than his brother. Ex. M7 is the xerox copy of the final order passed by the Central Administrative Tribunal, Chennai Bench in O.A. No. 588/99. That petition was filed by the present Petitioner Sri G. Guruvenkatarajan. The Hon'ble CAT has very clearly stated in its order that "the temporary arrangement mentioned in the report will not confer any status of provisional appointment for the applicant and on facts, it is clear that applicant has been working as substitute in the place of another BPM. It is always open to the official respondents to call for applications and consider the applications for the post. As the applicant is not a provisional appointee, in law, he has no claim and a person who acts as a substitute cannot claim as a provisional appointee and there is no merits in the application". So from this it is seen that the claim of the Petitioner that he has been provisionally appointed is incorrect. No one has forcibly took the charge of the post from the Petitioner who was holding as a substitute and there is no question of termination of his service by the authority. Under such circumstances, the Petitioner is not entitled for protection enshrined under Section 25F of the Industrial Disputes Act. So, no notice for termination and no payment as notice pay need be given to the Petitioner. Hence, the contention of the Petitioner that without issuing notice of termination and notice pay by the authority, the action of the appointing authority against him by directing the Mail Overseer to take charge of the post from him cannot

said to be ab-initio void and illegal. So it is not liable to be set aside. It is incorrect to say that the authorities have not followed the procedure laid under the relevant Act and Rule and the action is illegal and arbitrary exercise of powers. Under such circumstances, on the admission that the Petitioner was not given any order of appointment, no order of termination need be given by the authority. In view of the above findings, it can be easily concluded that the action of the Management of Superintendent of Post Offices, Pattukottai Division, Pattukottai for removing Shri G. Guruvenkatarajan from the services of EDBPM, Andami is justified and the workman concerned is not entitled to any relief prayed for. Thus, the point is answered accordingly.

7. In the result, an award is passed holding that the Petitioner Sri G. Guruvenkatarajan is not entitled to any relief prayed for. No Cost.

S. Radhai, Workman and the Chief General Manager, Telecom Tamilnadu Circle, Chennai and the Executive Engineer, Telecom Civil Division No. 3, Chennai, Management mentioned as Schedule appended to the order of reference.

"Whether the demand of Smt. S. Radhai for reinstatement and continuity of service with backwages by the Department of Telecom is legal and justified? If not, to what relief the workman is entitled?"

On receipt of this reference, this industrial dispute has been taken on file of this Tribunal as Industrial Dispute No. 52/2000. On receipt of the notice from this Tribunal, both the parties appeared with their respective counsel and filed their respective Claim Statement and Counter Statement.

2. The averments of the Claim Statement of workman/I Party are briefly as follows :—

The workman Smt. S. Radhai, the I Party (hereinafter referred to the Petitioner) was directly appointed as typist by the Executive Engineer on 1-1-94 on contract basis in the Department of Telecommunication Civil Division 3, Royapettah, Chennai. She is employed as a typist on contract basis from 1-1-94 to 1-8-97. The Petitioner was paid monthly on daily rate basis. She received salary of Rs. 1500/- per month. On her request, the charge was raised from Rs. 50/- to Rs. 75/- per month. She never submitted any quotations to the Respondent/II Party Management (hereinafter referred to as Respondent) and while offering the job, the petitioner was the only candidate and a typing test was conducted in which the Petitioner came out successfully. She has been continuously working from 1-1-94 to 1-8-97 without any break. She continued to work in different names. She was paid monthly salary of Rs. 1500/- depending upon the number of days she worked. She was asked to prepare a quotation at a highest rate and two as lowest rates in different names and addresses. The quotations were not displayed in the notice board. The Respondent themselves asked the Petitioner to prepare a lowest quotation at the rate of Rs. 75/- per day. This is a formal procedure adopted by the Respondent which clearly shows that the Petitioner's services were required in the department continuously. She has been denied employment from 6-5-99 and when the Petitioner approached the Respondents several times requesting them to reinstate her in services, she was informed that she will be taken back to duty after short time. When the Petitioner was eagerly waiting for reinstatement, the Respondent without giving any notice to the Petitioner orally terminated her from service. No reason was given for terminating her services. The respondents failed to follow the principles of natural justice. Her services were utilised for regular work and the work performed by the Petitioner was perennial in nature. When there was a continuous necessity for utilising the Petitioner's service, there is no justification in denying the employment to the Petitioner. The Respondents being State employer should have made her permanent and taken back her to duty. Not doing so is illegal and arbitrary. The Petitioner was working till May, 1999 and was paid salary for May, 1998, July, 1998, December, 1998 and January to March, 1999. The Petitioner has put in more than five years of continuous service without any break. The alleged termination is void ab-initio and the Petitioner is deemed to be in continuous of service. The termination of the Petitioner's service is in violation of Section 25F of the Industrial Disputes Act, 1947. She was not given any notice or any compensation in terms of the provisions under Section 25F of the Industrial Dispute Act. The Petitioner has completed more than 240 days in the Respondent's department and as such she is a workman within the meaning of Section 2(s) of the I.D. Act, 1947 and she is entitled for compensation full backwages and other attendant benefits. The Petitioner attempt before the Conciliation authority was not fruitful. As no settlement could be reached before the conciliation authority and ended in failure, the dispute has been referred to for adjudication to this Hon'ble Tribunal. Hence, this Hon'ble Tribunal be pleased to pass an award by declaring the order of termination dated 6-5-99 as illegal and arbitrary and consequently, directing the Respondent Management to reinstate the Petitioner in service with effect from 6-5-99 and further direct the Respondent to pay all arrears of backwages and all other attendant benefits.

3. The averments in the common Counter Statement filed by the Respondent/II Party are briefly as follows:—

The Executive Engineer, Telecom Civil Division No. 3, Chennai has filed a common Counter for himself and on behalf of the other two II Parties (hereinafter referred to as Respondents). The Respondents are not an industrial entity to attract Industrial Disputes Act, hence this Hon'ble Tribunal has no jurisdiction at all to decide this case. The allegation of the Petitioner that she was appointed as a typist on contract basis in the Respondent's department is denied. She was never employed as a typist on contract basis. She was rendering job typing contingency work on daily rate basis to meet out a particular work at a particular time. The Petitioner herself has stated that charges were paid as her remuneration. The allegation that she was employed as a typist on contract basis from 1-1-94 to 1-8-97 and she received a monthly salary of Rs. 1500 per month are denied. The Respondent has never increased the charge from Rs. 50 to Rs. 75 on her request. There is no question of increasing charges in view of the accepted lowest quoted rates from time to time. The Respondents had not conducted any typing test. The Petitioner was rendering job typing contingency work only based on lowest quotation submitted by her for given period of time. These respondents never employed the petitioner continuously with a salary of Rs. 1500 per month. It is an established practice that all quotations called for were displayed in Notice Board. Sealed quotation procedure was strictly followed. These respondents never directed the Petitioner to prepare a quotation at the rate of Rs. 75 per day to avail the continuous service of the Petitioner. There is no post called Typist at all in the Respondent's department. The allegation that the Respondents denied the employment for the Petitioner from 6-5-99 and she was sending representation to this department are all denied. The job typing work which is a contingent nature relating to this division was done through job typing by inviting quotations and the rates finalised for the service rendered were kept valid for a period of given time. At this point of time, the job typing work was rendered by the Petitioner on contingent basis being the lowest quotationer. She was never appointed on regular basis and the question of reinstatement will not at all arise, since the Petitioner was only doing job work to meet urgent, temporary needs. Further, the question of re-offering the same job would not arise, since there is no scope after completing of urgent temporary job typing work. There is no question of oral termination of the Petitioner, since the Petitioner's service was not perennial in nature and there was no continuous necessity for utilizing the Petitioner's service. The Petitioner was paid charges for job typing work done at the lowest quoted rate for the period worked. The Petitioner initially undertook the job typing contingency work and now she misuses the opportunity for seeking reinstatement as permanent employee in the department by unlawful means. The allegation that the Petitioner had put in more than five years of continuous service is denied. As soon as the job is over, there is no further scope to do the same job in future. The contingency work, the Petitioner had rendered is not of a permanent nature and there is no vacancy of such nature of job in the department. After having agreed to render the job typing contingency work for quoted rate for a fixed given period of time, now it is highly illegal for seeking the same job in the Government department permanently through back door. Hence, there is no question of violation of Section 25F of the Industrial Disputes Act, 1947. There is no question of retrenchment and hence there is no payment of compensation to the Petitioner under the Industrial Disputes Act. The other allegation that the Petitioner had completed 240 days is wrong on the ground that she was not a casual employee. She is not entitled for any compensation with full back wages and other attendant benefits. The question of payment of back wages will not at all arise, since she was not a permanent employee and she has rendered job typing contingent work to meet a particular need under quotation system. She at any point of time had not been selected legally after following due procedure. The Petitioner was never an employee of the Government department and hence there is no question of termination from service. Hence the question of reinstatement and payment of back wages also do not arise. There is no job at all to her after a particular period had expired. There is no question of order of termination had declaration prayer is

not at all maintainable in law and this petition is liable to be dismissed. Normally for any appointment in the Govt. service there shall be an advertisement in the press, calling for applications, duly indicating the name of the post, scale of pay, educational qualification, are restriction etc. or the names of the eligible candidates seeking appointments with requisite qualifications and age conditions etc. shall be sponsored by the Government Employment Exchange. Thereafter written test/interview will be conducted and then final selection/appointment would be followed. In the case of the Petitioner, nothing of the above sort was there. In the above circumstances, this Hon'ble Tribunal may be pleased to dismiss the Claim Petition with the cost of the Respondents.

4. When the matter was taken up for enquiry, the Petitioner herself was examined as WW1. No document has been marked on the side of the Petitioner as exhibit. The learned counsel for the Respondent has represented and submitted that there is no oral or documentary evidence from the side of II Party Respondents. The arguments advanced by the learned counsel on either side were heard.

5. The point for my consideration is whether the demand of Smt. S. Radhai for reinstatement and continuity of service with backwages by the Department of Telecom is legal and justified? If not, to what relief the workman is entitled?

Point:

It is the allegation of the Petitioner in her Claim Statement that she was employed as typist on contract basis from 1-1-94 to 1-8-97 and she received a salary of Rs. 1500 per month on daily rate basis. It is her further contention that on her request the charges was raised from Rs. 50 to Rs. 75. It is her further contention in para 2 of the Claim Statement that she never submitted any quotations to the Respondent. Contrary to that, in next paragraph she has stated she was asked to prepare a quotation at a highest rate and two at lowest rates in different names and addresses and that the Respondent themselves asked the Petitioner to prepare a lowest quotation at a rate of Rs. 75 per day. This has been denied by the Respondent in the Counter as these Respondents never directed the Petitioner to prepare a quotation at the rate of Rs. 75 per day. While giving evidence as WW1, she deposed that she was appointed as typist on 1-1-94 by the then Executive Engineer, Telecom Civil Division No. 3. In Claim Statement para 1, she has stated that she was directly appointed as typist by the Executive Engineer on 1-1-94 on contract basis in the department of Telecommunications Civil Division III. In cross-examination, she has admitted that no appointment order was given to her in writing by the Executive Engineer mentioning the terms and conditions of the employment, when he appointed her on 1-1-94. Further, she has admitted that there is no written order of termination of her services dated 6-5-99 was given to her by the department. It is also her evidence in Chief that she was given every month at the rate of Rs. 50 per day. Then she requested to raise that rate of Rs. 50 to Rs. 75 for that she, herself, gave three quotations mentioning Rs. 75 per day as lowest quotation. One such admission of WW1 in her evidence is quite contrary to her averments in para 3 of her Claim Statement that the Petitioner was asked to prepare quotation at a highest rate and two at lowest rates in different names and addresses. She has further deposed in her evidence that the rate per day Rs. 50 given to her at the time of appointment in 1994 was subsequently raised to Rs. 75, Rs. 85 and Rs. 100 at her request on submitting three quotations quoting the rate she requested at every time of enhancement as a lowest quotation. It is also her evidence that she worked as a typist in the department in her name from 1-1-94 to 1-8-97 and she worked in the name of Charumathy from 1-8-97 to 5-3-98 and in the name of Smt. Radhai again from 1-6-98 to 1-8-98 and in the name of Lalitha from 4-9-98 to 3-11-98 and again in the name of Smt. Radhai from 1-12-98 to 6-5-99. It is her further evidence that as per the instructions of the Accounts Officer in that department she gave lowest quotations on different occasions in different names. This is a new contention raised by her in her oral evidence as WW1. She has not stated so in her Claim Statement. The learned counsel for the Petitioner has proved that II Party Management were adopting various methods to avoid the Petitioner's claim for permanent employment and that the work of the union in the II Party Respondent's office is a continuous in nature and the Industrial Disputes Act prohibits it as unfair labour practice. It is his further argument that she has served more than 240 days each year

in her own name, so her services cannot be terminated and for terminating her from services, the procedure under section 25F of the Industrial Disputes Act has not been followed by the Management Respondent herein and no notice was given to the Petitioner at the time of termination from service and that the charges paid to the Petitioner were debited under head 'wages' in the accounts of the Respondent department. Because of the Office Memorandum dated 30-3-99, about the employment of casual labour, the authorities thought fit to terminate the services of the Petitioner, though there was a continuous necessity to engage the Petitioner for the typing work in the office. So the typist appointment given to the Petitioner cannot be considered as a stop gap on ad hoc nature and hence the denial of employment to the Petitioner by the Respondent Management is arbitrary, illegal and violation of provisions of the Industrial Dispute Act.

6. The learned counsel for the Respondent has put forth an argument in reply to the argument of the learned counsel for the Petitioner that the Petitioner was never given salary by the department but as admitted by her in the Claim Statement and also in the evidence the charges were given to the work done by the Petitioner as typist in the department and the Petitioner has done only professional services as a job typist for which the accepted rate for her work was paid by the department and there was no fixed pay for her services as typist. As admitted by her she was not given any appointment order or a termination order, so there is no question of reinstatement in service. She has not been given any appointment to any regular post of typist in the department of the Respondent and even according to her admission, after 1-8-97 she has no loco standi to make this claim since even according to her, she worked in three different names. When there is no written order of termination in the name of the Petitioner i.e. Smt. Radhai, the prayer in the Claim Statement to declare that order of termination dated 6-5-99 as illegal and arbitrary does not at all arise and cannot be granted. Further the question of reinstatement of the Petitioner in service from 6-5-99 also does not arise. Even in the Counter Statement, the Respondent has clearly stated that the service of the Petitioner was availed on quotation basis and she was rendering job typing contingency work on daily rate basis to meet out particular temporary need at a particular time. The typist work in the office is being attended to by the staff of the office and as and when there is excess work, they used to entrust it to a person offering services as a job typist. As such, the Petitioner was given work in the Respondent department office for attending to the typing work of that office. So in the absence of any post called typist in the Respondent department, prayer to absorb her as a regular employee in the post of typist cannot be granted. Hence, her claim has to be rejected.

7. A perusal of the Claim Statement, Counter Statement and also the evidence given by the WW1 clearly shows that the Petitioner was given work in the office of the Respondent at times of need for doing the typing work, that was why she was given remuneration for her work on fixed daily rate basis. The Petitioner herself has admitted in the Claim Statement as well as in the evidence as WW1 that the rate per day given to her for the work she has done was Rs. 50 initially, which was raised to Rs. 75, Rs. 85 and Rs. 100 on her request. Admittedly, there is no appointment order or termination order issued to the Petitioner by the Respondent department. She herself had admitted that she worked in three different names as Radhai, Charumathi and Lalitha and had received payments for the work she has done as a typist. That shows her services were utilised by the Respondent department as and when it was necessary only as a job typist. From the evidence of WW1, it is seen that the version of the Respondent in their Counter

Statement that the Petitioner was rendering the job typing contingency work on daily rate basis to meet out a particular temporary need at a particular time is a fact and the Petitioner has not at all been employed as a permanent employee in the department as a typist. After having agreed to render the job typing work for quoted rate for the fixed period of time, the Petitioner cannot seek a job of typist in the Government department of the Respondent as a permanent employee. Under such circumstances, there is no question of violation of Section 25F of the Industrial Disputes Act, 1947. So, there is no payment of compensation to the Petitioner under the Industrial Disputes Act. It is not the case of Petitioner herself that she was engaged as a casual employee, hence the question of payment of backwages and other attendant benefits as claimed in the Petition will not at all arise. It is also not the case of the Petitioner that she had been ever selected following the procedure in the department for employment of permanent post of typist in the Respondent's office. For appointment in the Government service, as it is stated in the Counter of the Respondent there must be an advertisement in the press, calling for applications duly indicating the name of the post, scale of pay, educational qualification, age restrictions etc. or the names of the eligible candidates seeking appointment with requisite qualifications and age conditions etc. shall be sponsored by the Government Employment Exchange. Thereafter, written test/interviews have to be conducted and after final selection/appointment is to be given. Admittedly, none of these procedures had been adopted by the department before ever giving the typing work to the Petitioner. Though, she had made a vague reference in the Claim Statement and in the evidence that she was selected as a typist through a type speed test, no relevant particulars for the same has been given. Under such circumstances, it can be easily concluded that the arguments advanced by the learned counsel for the Petitioner cannot be accepted as correct, while the arguments advanced by the learned counsel for the Respondent can be accepted as proper and valid. On the basis of the material available in this case, it can be easily concluded that the demand of Smt. Radhai, the Petitioner herein for reinstatement and continuity of service with backwages by the Department of Telecom is illegal and unjustified. From the detailed discussion above, it can be easily concluded that the Petitioner Smt. S. Radhai cannot make a demand for reinstatement of service and continuity of service with back wages with the Respondent Department because she has not given any job by the department as a permanent employee or even a casual labour, so the Petitioner cannot make one such demand as referred to in the Schedule of reference. That being the case, she is not entitled to any relief prayed for. Thus, I answer the point accordingly.

AND

8. In the result, an award is passed holding that the Petitioner Claimant Smt. S. Radhai is not entitled to any relief prayed for in the Claim Statement as well as in the Schedule of reference. No Cost.

This dispute coming on for final hearing before me in the presence of Sri K. V. Janardhan, advocate for workman and Sri D. S. Murthy, advocate for management. Upon hearing the arguments of both sides and on perusing the entire material on record, the court passed the following :

AWARD

(1) This is an application filed under Section 2A(2) of the Industrial Disputes Act, 1947 for reinstatement with back wages and continuity of service.

(2) The case of the petitioner is that he was appointed as a Non-public Transport Driver w.e.f. 21-7-81 and he continued so without any break of service and he used to drive the vehicle belonging to the respondent to carry and transport the school children, office staff of the Navy Staff and also used to drive the vehicles outside Visakhapatnam City limits to different distant places like Auraku Valley, Srikakulam, Rajahmundry, Kakinada, Amadalayalasa, Korukonda etc. carrying Naval Officers, Naval Staff, Jawans, Sailors and families of such officers and staff Jawans and Sailors etc. as per the directions and instructions of the Naval Officers. He served as such for 16½ years. However, on 31-10-97 his services were terminated without serving any retrenchment notice nor paying any retrenchment compensation, on the pretext of winding up of the Command Non-public Transport Fund (hereinafter called as CNPTF) and opening of new Satavahana Transport Fund (hereinafter called as STF). More the termination is illegal. It is the further case of the workman that the previous CNPTF and the new STF is only a make believe and a false creation for terminating the petitioner and other drivers illegally from service and STF is nothing but a legal successor organisation constituted in the place of the CNPTF Organisation and this STF succeeded to all the assets and liabilities and obligations of the CNPTF Organisation. The Services of some of the drivers and Fitter-cum-Driver of CNPTF who were the favourites of the respondent were continued by the successor organisation STF with the same and similar service conditions and some new persons also were appointed by STF. Therefore, the retrenchment of the petitioner is illegal opposed to principles of natural justice and it is in violation and effective of the livelihood of the petitioner and his family members. Hence this petition.

(3) The respondent management admitted the appointment of the petitioner as a Non-public Transport Driver on 21-7-81 but pleaded that his services are utilised as and when required. CNPTF is a separate entity altogether, to cater the conveyance and transport needs of the Naval Personnel, for their recreational trips, picnics and vehicles used to be given for hire and out of the proceeds of such, hire, the drivers were paid and the maintenance of vehicles used to be carried out. The services of the drivers were some time utilised over time for which also they were paid separately, apart from the remuneration or wages. Therefore, the allegation that the workman worked as driver continuously without any break is incorrect and his services are occasionally utilised and the CNPTF is nothing to do with the Eastern Naval Command. It is false to allege that the petitioner has completed 16½ years continuous service. The CNPTF was wound up and STF was formed as the CNPTF incurred heavy losses and the continuation of CNPTF no longer available and the same is wound up on 31-10-97. So STF was formed w.e.f. 31-10-97, which is exclusively for INS Satavahana and it is independent and separate from the erstwhile CNPTF. It is further pleaded that at the time of winding up of the CNPTF four drivers and one fitter were retained by selection from out of the available drivers. Pretty misconducts, minor offences, medical fitness were taken into consideration in retaining the drivers and fitters. Four drivers, five fitters out of 12 employees were chosen, the petitioner and some others were not selected. The entire staff of the CNPTF retrenched on account of the winding up of the CNPTF. It is false to allege that the winding up of

CNPTF and converting CNPTF to STF is only to retrench the workman illegally. This application is only filed two years after the termination with false grounds. The workman is not entitled to any retrenchment compensation and other benefits as his service were never a continuous one as to become eligible. Hence STF is not bound to continue the services of the workman and that the workman is already 50 years old and having poor eye sight and that is the reason why he was kept out of his duties from October, 1995 and the services are used as spare driver.

4. Before this Tribunal, the workman is examined as WM1 and got marked Exts. W1 to W7. On behalf of the management, two witnesses MWs 1 and 2 are examined and Exs. M1 and M2 are marked.

5. Heard both sides.

6. The point that arises for consideration in this case is :

Whether the termination of the petitioner is violation of natural justice and Sec. 25F of the I.D. Act?

7. The undisputed facts in this case are that the workman was appointed as Non-public Transport Driver by virtue of Ex. W7 orders dated 17-7-81 issued by the first respondent and he joined in service on 21-7-81, and he served till his removal from service. While so, it is the evidence of WW1 that he used to drive the vehicles belonging to Naval Department for the transportation of the children of the Naval Officers and their families to different institutions from boarding point and from Naval Park Quarters, he was also driving the vehicle for Civil Navy Officers Transport. The vehicles operated by him are owned and there were no remarks while he was in service and they were also paid overtime wages for the extra work done by him in October, 1997. He was removed partly, no notice was given nor any compensation was paid and no reasons were assigned for his removal. A suggestion is made to this witness that the CNPTF wound up and the workman refused to receive the employments offered to him by respondent No. 2. But the plan that the workman was offered with the retrenchment compensation is not in the counter statement. In the absence of the plea, the suggestion put to this WW1 is of no use.

8. It is the evidence of MW1 Lt. Commander INS Sathavahana that since CNPTF was incurring losses it was wound up on 31-10-97 by the Flag Officer Commanding of Indian Navy, Visakhapatnam and on 1-11-97 Sathavahana fund was started exclusively for INS Sathavahana personnel for their pleasure trips and four drivers and one mechanic were recruited for operation of vehicles under that fund and all the earlier personnel employed with CNPTF were interviewed. Ex. M1 is the winding up proceedings of the CNPTF. It is also his evidence that the present workman also attended to that interview, but the workman was not selected as he did not satisfy and the workman was 50 years old and he was irregular in discharging his duties and also got eye sight. This MW1 admitted in the beginning of chief examination that the workman is a permanent employee of Command Naval Transport Non-Public Fund which is provided from the Eastern Naval Command Fund contributed by the entire command personnel for their pleasure trips. It is also his evidence that the workman was interviewed and that he will be paid one month's salary for retrenchment but he did not accept it. As already mentioned above this plan was not there in the counter. Therefore, this is only an after thought and much credence cannot be given to this part of the evidence.

9. Therefore, this MW1 admitted in his cross-examination that CNPTF is a part of Eastern Naval Command but not a separate department or wing. The parents of the children used to contribute for plying the buses to take the children to their school and coming back. No doubt, he denied a suggestion put to him that the second respondent is only a successor in interest to the CNPTF. One of the workmen who were selected by the STF is examined as MW2. He deposed that he worked as driver in the CNPTF organisation along with 11 drivers and now four workmen are working with STF and all the workmen who were working earlier with CNPTF were called for interview and conducted for recruitment of

drivers in Sathavahana Transport Fund. Amongst them four workmen were selected like him who are aged 24 years like him and the petitioner also attended for that interview and he not know why the petitioner was not selected. This witness also admitted that he has no Military Driving Licence. He also admitted that the vehicles operated by them are originally belonging to Naval authorities. He worked only 3 years in CNPTF. He admitted that there are no allegations against the petitioner during the period of 3 years while he was working along with the petitioner. He admitted that no written order was given to him and other workmen. He also admitted that no written appointment order was given when he first join in service. He admitted that no compensation was given to the discontinued workmen.

10. Thus, from the evidence adduced by both the parties it is quite clear that the fact that no compensation was ever offered nor paid to the discontinued workmen and the workman/petitioner herein have got the Military Driving Licence which is marked Ex. M1 whereas the MW2 who was selected has not got the Military Driving Licence. There are no charges of misconduct against the petitioner during the period of 16 1/2 years service. Though MW1 stated that the workman is now aged 60 yrs and he is having defective eye sight but there is no material on record to substantiate the said plea. On the other hand, it is the evidence of other side that the petitioner is 50 years old. Whatever it may be, the services are to be taken into consideration till he is attaining the age of superannuation of the period of 58 years which normally applies to the Government employee. Admittedly, no retrenchment notice was served on the workman. Though the management alleges that the services of the drivers were only taken as and when required. But there is no material placed by the respondent in support of the said plea. The workman anticipating the termination issued the Ex. 6 notice dated 28-10-97 but the management did not consider his case nor paid any retrenchment compensation. After his services were terminated the workman have issued another notice Ex. W5 dated 9-3-90. No doubt, the management have placed Exs. M1 and M2 to show that the CNPTF was wound up as on 31-10-97. Consequently, certain guidelines were issued and as per Ex. M2 Board Proceedings under Clause (9) deals with the terms for selection adopted. Seniority, disciplinary cases, medical fitness, other technical knowledge, vehicular accidents and distance of residence and their status as to, if they are staying in own house or rented house, are certain guidelines were given for the selection of drivers. It is not the case of the management that the present workman is not a Senior nor medically unfit nor lacking of any technical knowledge, no vehicular accidents, nor there are any disciplinary cases pending against him while he was in CNPTF. Therefore, there is no substantial reason or ground for rejecting the case of the petitioner even while selecting the drivers for STF at the time when CNPTF was wound up. Therefore, the selection of MW2 is against the present petitioner is arbitrary and it has no basis. Even otherwise, the reason for discharging the services of the petitioner is only the winding up of the CNPTF. The evidence adduced through MWs 1 and 2 discloses that STF is created in the place of CNPTF and the workers it is limited to Sathavahana unlike CNPTF for the entire command. Even then the workman cannot be thrown out of the job without following the statutory requirements as provided in Sec. 25F of the I.D. Act. Admittedly no notice of retrenchment was given nor any retrenchment compensation was paid to the workman.

(11) Therefore, the termination of the petitioner is against the statutory violation i.e. Sec. 25F of the I.D. Act and also the principles of natural justice. Hence the removal of the petitioner is arbitrary and is liable to be set aside. Hence I answer the point in favour of the petitioner/workman and against the management.

(12) In the result, the petition is allowed and award is passed directing the respondents 1 and 2 to reinstate the petitioner forthwith back wages and continuity of service. However, there is no order as to costs and each party is directed to bear its own costs.

AWARD

By reference No. L-41012/36/99/IR(B-I) dated 11-5-99, the Central Government, in the Ministry of Labour, in exercise of powers conferred by clause (d) of sub-section (1) of section 10 of the I.D. Act, 1947 (14 of 1947) made over this industrial dispute between Sunder Lal Tewari and Divisional Railway Manager, Northern Railway, Moradabad for adjudication, to the CGIT-cum-Labour Court, Kanpur and later, transferred the case to this Tribunal.

The reference is re-produced as under :

“Whether the action of Management of Northern Railway in not allowing Sunder Lal Tewari,

on duty w.e.f. 4-4-1995 is legal and justified? If not what relief workman is entitled to?"

2. The cryptic reference whether action of management of Northern Railway not allowing Sunder Lal Tewari, on duty w.e.f. 4-4-95 is legal and justified? requires scrutiny of entire facts and circumstances which did not permit management of the Northern Railway to allow workman to resume duty and also requires determination of legal status of the workman who admittedly remained absent for more than 5 years, without submitting any application to sanction leave and regularise the service. The totality of facts and circumstances constituting such a long absence from service, on the part of the workman, in absence of termination order, whether may be taken to be legal abandonment of service?

3. Coming to the facts, the case of the workman, Sunder Lal Tewari, is that he was appointed as gangman on 10-5-89 in the scale of 775-1025 in quota of ex-servicemen. Prior to this appointment, he was in Army and retired in Dec, 1987. He was called to represent Moradabad Divn. of Northern Railway in Volleyball competition to be held from 4-10-89 to 6-10-89 at New Delhi. Special casual leave from 3-10-89 to 7-10-89 was sanctioned and he was relieved on 2-10-89 to participate in the tournament. After participating in the tournament, he fell ill and remained under treatment as private sick from 8-10-89 to 28-10-94. His illness forced him not to return to duty, unless declared fit. He informed his illness to the authorities from time to time. On getting fit, he approached the Section Engineer, Northern Railway, Safipur, district, Unnao, seeking permission to join duty. However, he was not permitted to join and his case was referred to Asstt. Engineer, Northern Railway, Sitapur city. Again, he was directed to obtain fitness certificate from the Railway Medical Officer. He could obtain fitness certificate from the Railway Medical Officer, Unnao (certificate No. 741732 dated 3-4-95) and submitted his fitness certificate to the authorities. Despite his fitness he was not allowed to join duties on one pretext or the other. Finally, this industrial dispute was raised.

4. The workman further claims, non-issuance of any notice or holding any inquiry, and also no payment of retrenchment compensation etc. Thus, the management acted in mala fide manner and committed breach of section 25-F, 25-C, 25-H of the I.D. Act, 1947.

5. The management has not denied temporary appointment of the workman under the Ex-servicemen quota and his joining on 10-5-89. His relieving on 2-10-89 to participate in Volleyball tournament representing the Moradabad Divn. of Northern Railway, is also not denied. However, it is pleaded by the management that Sunder Lal Tewari absented from Delhi and did not submit participation certificate, and so, was treated absent w.e.f. 4-10-89. He reported to join duty after more than five years without lawful authority or medical certificate from an authorised medical officer. His abscondance for more than 5 years coupled with his habit of absenting, clearly demonstrate his unwillingness to be in service. Details of absence from the date of his appointment, is given below to fortify submission that the workman abandoned his service.

6. The Asstt. Divisional Engineer, Sitapur, in his affidavit has detailed, unauthorised absence period since the appointment of the workman on 10-5-89 as follows:

| | |
|--------------------|-------------------|
| 17-6-89 to 19-6-89 | = 03 days |
| 18-7-89 to 28-7-89 | = 11 days |
| 29-7-89 to 28-8-89 | = 31 days |
| 29-8-89 to 6-9-89 | = 09 days |
| 4-10-89 to 4-1-95 | = 5 years 93 days |
| <hr/> | |
| 5 years | + 147 days |

In addition to above unauthorised absence, the workman remained on authorised leave as under:

| | |
|--------------------|-------------------------------|
| 10.6.89 to 13.6.89 | 04 days Leave on Average Pay |
| 14.6.89 to 16.6.89 | 03 days Leave on Average Pay |
| 7.9.89 to 21.9.89 | 15 days Leave on Average Pay |
| 22.9.89 to 26.9.89 | 5 days 10 days commuted leave |
| <hr/> | |
| 27 days | |

7. It is pertinent to note that the workman joined as temporary Gangman on 10-5-89. He worked for 85 days, in all since appointment as under :

| | |
|--------------------|-----------|
| 10-5-89 to 13-6-89 | = 35 days |
| 20-6-89 to 17-7-89 | = 28 days |
| 7-9-89 to 21-9-89 | = 15 days |
| 27-9-89 to 3-10-89 | = 07 days |
| <hr/> | |
| 85 days | |

8. Above facts are not denied by the workman, that he worked for 85 days only and remained absent from duty on authorised leave for 27 days and unauthorised leave for 5 years 147 days. The workman has not mentioned in his claim statement, to have submitted any leave application to regularise unauthorised absence period but seeks joining on the basis of fitness certificate of a local vaidya. In absence of regularisation of services for more than five years, the management could not have permitted the workman to join though found fit, under the service rules. The workman did not explain as what persuaded the workman not to apply for leave but simply to inform about the illness?

9. Under the 'Leave Rules and Joining Time', applicable to the railway servants, the workman was, entitled to leave on half average pay, commuted leave, 'leave not due' and extra ordinary leave. The workman had already exhausted his 'leave on average pay' and 'commuted leave'. 'Leave not due' is granted to permanent railway servants. However, in extra ordinary circumstances, such leave may be granted also to temporary servant with one year service, for a period not exceeding 30 days during the entire service, on medical grounds for suffering TB, Leprosy, Cancer, or mental illness. The workman was a temporary railway servant but had not completed one year service, nor was suffering with any of the diseases mentioned above. So, he was not entitled to 'leave not due'. Extra ordinary leave may be granted in

special circumstances when no leave is admissible. In case of the temporary railways servant, such leave, may be granted under the exceptional circumstances by the President for 3 months on medical certificate. There are no materials on records to justify inference, that the workman was entitled to any type of unavailed leave. It was conceded that the workman had not applied for any type of leave so far and his absence period remained unregularised.

10. Let it be examined whether the workman was serious with his employment. He joined on 10-5-89 and in total worked for 85 days only. Details of this absence was given earlier. He absented continuously, from 4-10-89 to 4-1-95. The workman was not at a place far off from Unnao. Medical certificate filed by him does not show nature of the illness. The workman was not confined to bed and so, was able to contact the railway doctor, locally. The materials on record do not justify inference that he was ever, serious, in seeking leave for the period. A Railway Medical Officer was available there but the workman chose not to present himself before the authorised medical officer. Even in this adjudication, he seeks duty, without explaining the nature of illness, though he remained absent for more than five years.

11. The workman claims to have kept informed the authorities about the illness and places reliance on letter of Asstt. Divisional Engineer dated 19-12-95 addressed to Divisional Railway Manager. This letter mentions that after 4-10-89 the workman was continuously absent despite notices issued to him, to join duty. However, he informed that he would join when became fit. On receiving the notices, the workman did not obtain certificate from any authorised medical officer and submitted to justify that illness was genuine. Treatment chart and cash memo of medicines, have also not been filed. The management's plea that the workman was not ill and his certificate is false, appears to be correct.

12. In any event, the circumstances from the date of joining justify inference that the workman was never a willing worker. He was absent at his will, being fully aware of there being no leave to his credit. He did not file participation certificate from the manager of the Volleyball team, left for home without obtaining permission of the competent authority or the Manager of the team, remained continuously absent for more than five years, and till date, did not file evidence to justify genuineness of his illness, save a fitness certificate of village vaidya. All these facts cumulatively establish that he abandoned the service. He was a temporary railway servant and was not even a probationer.

13. In *Lakshmi Kant V/s. PO, CGIT, Gurgaon and others* (1999) I-LLJ page 224, the Punjab High Court held that the Labour Court is not only entitled to adjudicate upon the points of dispute but also on matter incidental thereto. In the present case, no doubt the reference is regarding, legality of the action of the management not to permit the workman to join but incidentally, matter is whether the workman is entitled to join by remaining absent more than 5 years continuously and in totality of facts whether he abandoned the service? In such case, formal enquiry is not needed. The management has not terminated services of the workman, but he abandoned the service as is established on facts and circumstances. In *Dharmraj*

Vithoba Natekar V/s. Unique Industries and Others (1996) I-LLJ 948, the High Court of Bombay held as under:

"By now, it is well established, that abandonment of service is an inference which can be raised upon consideration of the totality of circumstances and that the court should raise this inference only if it is satisfied that the circumstances do indicate that the workman was clearly not interested in continuing with his service."

14. In *B. V. Ramnaryan Vs. State Bank of India, Hyderabad and Others* (1997) I LLJ 1007, the High Court of Andhra Pradesh held : that in the event of abandonment of job voluntarily by an employee, the contract of service comes to an end. In order to constitute abandonment, there must be total giving up of duties to indicate an intention not to resume the same.

15. In the present case, the workman abruptly left the team at Delhi without permission of the Manager, he did not inform the authorities immediately thereafter explaining reasons therefor, he remained absent continuously for more than 5 years, he did not obtain certificate from the authorised medical officer, and he did not apply for leave despite notices to join his duty. All these circumstances justify inference that he was not interested in joining his duty. As observed earlier, his medical certificate from a village Vaidya, does not indicate genuineness of his plea of illness.

16. Accordingly, the only inference is that the workman abandoned his service and contract of his service come to an end. In such circumstances, the provision of Section 25-F, 25-H and 25-G do not apply.

17. The action of the management not permitting the workman to join duty is legal and justified. The workman is not entitled to any relief.

18. Award as above.

AWARD

The Central Government, Ministry of Labour, New Delhi, by exercising the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of the Industrial Dispute Act, 1947 has referred this dispute for adjudication vide order No. L-22012/114/92/IR (C.II) dated 7-12-93 on the following schedule:

SCHEDULE

"Whether the action of the management in denying the seniority and fixation of pay of Shri Ram Gopal in clerical Gr. I as Junior Stenographer w.e.f. 16-10-81 and subsequent promotion as P.A. in Clerical grade w.e.f. 1-3-84 and promotion as Sr. P.A. in T & S Gr. "A" w.e.f. 5-6-89 was legal and justified? If not, to what relief the workman is entitled to?"

Shri S. V. Ramgopal has submitted Statement of Claim that he was appointed as Typist/Lower Division Clerk at Pathakhhera area of WCL on 30-9-1980. From 5-10-1980 he was working on the post of Stenographer. The names for Stenographer were called through Employment Exchange, but the management did not communicate to the Employment Exchange about his selection. On 25-8-81 he was called for interview by WCL, Chief Personal Manager but he was not appointed on the post of Junior Stenographer.

He was transferred to WCL (HQ), Nagpur on his request vide order dated 9-10 July, 1982. He was relieved from Pathakhhera area on 30-7-1982.

He was selected for the post of Junior Stenographer on 9-4-1983.

He made representation on 29-1-90 claiming his notional seniority and fixation of pay from 1-3-1984 in the grade of Personal Assistant. His seniority was fixed vide order dated 22-5-1990 as Personal Assistant, but this order was cancelled on 31-7-90. He claimed that the order dated 31-7-1990 be set aside and the order dated 22-5-1990 fixing notional seniority be implemented. He also submitted the documents along with the statement of claim.

The management disputed the claim on the ground that Ramgopal was transferred to Nagpur (HQ) on his request. He was appointed as L.D.C.-cum-Typist at Pathakhhera area on 30-9-1980 and was transferred to Nagpur (HQ) vide order dated 9/10-7-1982 on his request. His seniority therefore could be considered at Head Quarter from 3-8-1982 i.e. the date of his joining at WCL Head Quarter, Nagpur. He was selected as Junior Stenographer on 11-4-1983. He had not completed one year so he was not allowed to appear for test of Personal Assistant on 25-2-1984.

He was promoted as Senior Stenographer on 16-4-1988. As he was posted in the Head Office he took advantage of his position and made representation on 29-1-1990 for his notional seniority. On 22-5-1990 the order for his notional seniority was issued where upon the other senior stenographer including Shri M. K. Dhabadkar raised objection, therefore the order dated 22-5-1990 was cancelled.

The workman is not entitled to notional seniority from 1-3-84. As the order dated 22-5-90 has been cancelled. The seniority list has been prepared on 30-11-90 and the name of Shri Ramgopal appears at No. 17. He is therefore not eligible for promotion to the post of Senior Stenographer. His claim for the post of Senior P.A. in T & S grade from 5-6-89 is baseless.

The Statement Shri J. Sharan, Retired Director (Personnel), WCL was recorded on 4-3-1997, but after that the workman did not turn up to contest the case.

This file received from the court of CGIT No. 1 of Mumbai in June 2000. The workman did not turn up in this court to contest the case. His union representative G. P. Thakur moved the application on 17-7-2000 that the matter may be finalised on the basis of documentary evidence. The General Secretary Shri G. P. Thakur, in application dated 17-7-2000 mentioned that the union does not want to produce any oral evidence in the case. The union also does not want to cross examine any witness in this case. The authorisation letter of S. V. Ramgopal dated 17-7-2000 is also on the file. The workman had authorised to Shri G. P. Thakur, General Secretary, Western Coalfields Employees Association (B.M.S.), Nagpur to appear in this case on his behalf.

After 17-7-2000 the case was adjourned to 21-8-2000, 20-10-2000, 12-12-2000 and 4-1-2001 but the representative of the workman did not appear to contest the case for the workman. No witness was examined by the workman in this court. The workman also did not prefer to cross-examine any witness of the management, though the affidavits of Shri J. Sharan, Retired Director (Personnel) and the affidavit of Shri G. R. Bhandari dated 4-3-1997 are on the file.

On 4-1-2001 the counsel for management Shri B. N. Prasad submitted written argument.

The representative of the workman did not turn up to argue the case.

I have considered the entire evidence on record. It is admitted to both the parties that Ramgopal was working as L.D.C./Typist at Pathakhhera area of WCL on 30-9-1980. He was transferred to Nagpur on 9-7-1982. He joined duty at Head Quarter, Nagpur on 3-8-1982. He was selected for the post of Junior Stenographer and joined duty on 11-4-1983.

It is argued by Shri B. N. Prasad, Counsel for WCL that the workman was office bearer of the union. He made representation for notional seniority on 29-1-1990. The order dated 22-5-1990 was typed by the workman Ramgopal himself and he had also obtained signature of Personal Manager.

When the representation was made on 26-7-1990 by Shri M. K. Dhabadkar, Sr. P. A. that the order dated 22-5-1990 for fixing notional seniority of Shri Ramgopal is not correct, the management took up the matter again and cancelled order dated 22-5-1990 vide order No. WCL/IR/SE/730/635557 dated 31-7-1990. It is therefore clear that the order dated 22-5-1990 through which notional seniority of Ramgopal was fixed, was not implemented and it was cancelled by management on 31-7-1990.

The workman was transferred to WCL (HQ), Nagpur on his request on 10-7-1983. He was not working as Jr. Stenographer in WCL (HQ) on 10-10-81. His date of seniority is strength of officials of Jr. Stenographer can be considered only after his joining at the Head Quarter. He therefore can not claim for Jr. Stenographer w.e.f. 10-10-81 as he was not in the office of WCL (HQ), Nagpur on 10-10-81.

As a result of departmental promotion commit as order, 8 Jr. Stenographers were promoted to the post of Sr. Stenographer/PAs vide order dated 1-3-84. The workman Ramgopal did not claim his seniority on 1-3-84. He did not protest against the promotion order of other Jr. Stenographers dated 1-3-84.

Ramgopal was promoted to the post of P.A. vide order dated 16-4-88. He, therefore, can not claim his seniority as P.A. w.e.f. 1-3-84.

As the order, dated 22-5-90 through which his notional seniority has fixed has been cancelled by management on 31-7-90, the order dated 22-5-90 was not implemented. Ramgopal is therefore, not entitled for promotion to Sr. P.A. in T & S grade "A" w.e.f. 5-6-89.

The written statement filed by the management shows that Ramgopal is working as Senior P.A. vide order dated 4-10-1993.

In view of facts and evidence discussed above the workman is not entitled to any relief.

ORDER

The action of the management in denying the seniority and fixation of pay of Shri Ramgopal in clerical Gr. I as Junior Stenographer w.e.f. 10-10-1981 and subsequent promotion as P.A. in clerical grade w.e.f. 1-3-1984 and promotion as Sr. P.A. in T & S grade "A" w.e.f. 5-6-1989 was justified. The workman is not entitled to any relief claimed by him.

The reference is answered accordingly.

2. The Collieries Manager,
Singareni Collieries Co. Ltd.,
Godavarikhani-7 (LF) Project,
Godavarikhani, Karimnagar Distt. ... Respondents.

This petition coming before me for final hearing in the presence of Sri G. Ravi Mohan, Advocate for the petitioner and of Sri C. S. N. Reddy, Advocate for the respondents and having stood over for consideration till this date, the court passed the following:—

AWARD

1. This is a petition filed U/s. 2-A(2) of the Industrial Disputes Act, 1947, as amended by A.P. Amendment Act, 1987.

Facts of the case briefly are as follows:—

The petitioner was appointed as Trammer in the year, 1983. On 26-6-97 at 5.30 a.m., the petitioner along with other employees had a get-together near Maisamma Temple within the premises of the mine compound. The petitioner and others were enjoying the get-together. The Colliery Manager whose office was situated near Maisamma Temple was disturbed. He asked them to vacate the premises. There was altercation between the Colliery Manager and the employees. Charge-sheet was issued against the petitioner on the next

day, i.e., on 27-6-97 charging the petitioner with consuming liquor and manhandling Sri A. Acharya, S.O.M., GDK-7 Domestic enquiry was conducted. Show-cause notice was issued to the petitioner. The petitioner was dismissed from the service with effect from 15-11-97.

2. Respondents filed counter stating that there is no Maisamma Temple near the office of the Manager. Therefore, there is no question of gathering at Maisamma Temple. It is stated that the petitioner and some others gathered near Electrical Sub station of the mine. It is situated behind the Manager's room and they were consuming liquor. They created nuisance and disturbance in the mine premises. The Colliery Manager instructed the petitioner and others to vacate the premises. The petitioner and another employee by name P. Bhoomaiah picked-up argument with V. Ganesh, Survey Officer, K. Ashok Kumar, A.E., and the Colliery Manager. The petitioner manhandled the Colliery Manager Sri A. Acharya and hit him on his face and head. Another employee by name P. Bhoomaiah joined the petitioner and both of them hit the Colliery Manager on his face. The petitioner tore-off the shirt and Banian of the Colliery Manager. It was reported to the police and the police registered case against the petitioner and Bhoomaiah.

3. Ex. M-1 to Ex. M-18 are marked.

4. Heard both sides.

5. The point for consideration is whether the charges against the petitioner are proved, if so, whether the punishment of removal of the petitioner from the service is in proportion to the charges.

6. POINT: Ex. M-1 is letter dated 27-6-97. It contains the charge against the petitioner and the petitioner was directed to submit his explanation within four days.

Ex. M-4 is explanation to the charge-sheet. The petitioner stated that on 26-6-97, he along with 29 co-workers had a get-together in the mine compound. At that time, the Colliery Manager, Survey Officer and A.E. came to them at about 5.30 p.m., and instructed them to vacate the place. They requested the Manager to give a few minutes time to go out and vacate the place. But he did not listen to them. He started abusing them in filthy language in English. They left the place without any conversation. They did not manhandle the Manager. They did not violate any standing order.

7. Ex. M-11 is enquiry proceedings.

The statement of Sri A. Acharya, S.O.M., GDK-7 was recorded in the presence of the petitioner. He stated that on 26-6-97, he was informed that some mine workers gathered in the Electrical sub-station and consuming liquor. He sent one Chellan Rajaiah, Coal-filler-cum-office boy to ask them to vacate the Electrical sub-station. The office boy returned without getting them vacated. Then, he sent K. Ashok Kumar, Asstt. Engineer to vacate them. He further deposes that he alongwith Surveyor V. Ganesh went to the Electrical Sub-station. He told the petitioner not to consume liquor in the Electrical sub-station. Then, the petitioner argued with him and hit him on his face and head with hands. His shirt and banian were torn-off.

Statements of K. Ashok Kumar Asstt. Engineer and V. Ganesh, Surveyor were also recorded.

8. The evidence on record shows that the petitioner and others gathered in the Electrical sub-station and consuming alcohol. There was exchange of words between the Colliery Manager and the petitioner and others. The petitioner manhandled the Colliery Manager.

I consider that the charges against the petitioner are proved and the punishment of removal of the petitioner from the service is in proportion to the charges. Hence, I answer the point accordingly.

In the result, this petition is dismissed. The order of dismissal of the petitioner from the service is confirmed. Each party do bear their own costs.

Typed to my Dictation, corrected and pronounced by me in the open court on this, 28th day of February, 2001.

This petition coming before me for final hearing in the presence of Sri G. Ravi Mohan, Advocate for the petitioner of Sri C. S. N. Reddy, Advocate for the respondents and having stood over for consideration till this date, the court passed the following :—

AWARD

1. This is a petition filed U/s. 2-A(2) of the Industrial Disputes Act, 1947, as amended by A.P. Amendment Act, 1987.

Facts of the case briefly are as follows :—

The petitioner was appointed as Trammer in the year, 1979. On 26-6-97 at 5.30 p.m., the petitioner along with other employees had a get-together near Maisamma Temple within the premises of the mine compound. The petitioner and others were enjoying the get-together. The Colliery Manager whose office was situated near Maisamma Temple was disturbed. He asked them to vacate the premises. There was altercation between the Colliery Manager and the employees. Charge-sheet was issued against the petitioner on the next day i.e., on 27-6-97 charging the petitioner with consuming liquor and manhandling Sri A. Acharya, S.O.M. G.D.K. 7. Domestic enquiry was conducted. Show-cause notice was issued to the petitioner. The petitioner was dismissed from the service with effect from 15-11-97.

2. Respondents filed counter stating that there is no Maisamma Temple near the office of the Manager. Therefore, there is no question of gathering at Maisamma Temple. It is stated that the petitioner and some others gathered near Electrical Sub-Station of the mine. It is situated behind the Manager's room and they were consuming liquor. They created nuisance and disturbance in the mine premises. The Colliery Manager instructed the petitioner and others to vacate the premises. The petitioner and another employee by name M. Venkati picked-up argument with V. Garesh Survey Officer, K. Ashok Kumar, A.E., and the Colliery Manager. Venkati manhandled the Colliery Manager Sri A. Acharya and hit him on his face and head. The petitioner joined with him and hit the Colliery Manager on his face. The petitioner tore-off the shirt and Banian of the Colliery Manager. It was reported to the police and the police registered case against the petitioner and Venkati.

3. Ex. M-1 to Ex. M-17 are marked.

4. Heard both sides.

5. The point for consideration is whether the charges against the petitioner are proved, if so, whether the punishment of removal of the petitioner from the service is in proportion to the charges.

6. POINT : Ex. M-1 is letter dt. 27-6-97. It contains the charge against the petitioner and the petitioner was directed to submit his explanation within four days.

Ex. M-6 is explanation to the charge-sheet. The petitioner stated that on 26-6-97, he along with 29 co-workers had a get-together in the mine compound. At that time, the Colliery Manager, Survey Officer and A.E. came to them at about 5.30 p.m., and instructed them to vacate the place. They requested the Manager to give a few minutes time to go out and vacate the place. But he did not listen to them. He started abusing them in filthy language in English. They left the place without any conversation. They did not manhandle the Manager. They did not violate any standing order.

7. Ex. M-11 is enquiry proceedings.

The statement of Sri A. Acharya, S.O.M., G.D.K. 7 was recorded in the presence of the petitioner. He stated that on 26-6-97, he was informed that some nine workers gathered in the Electrical sub-station and consuming liquor. He sent one Challam Rajaiah, Coa-filler-cum-office boy to ask them to vacate Electrical Sub station. The office boy returned without getting them vacated. Then, he sent K. Ashok, Assistant Engineer to vacate them. He further deposes that he along with V. Ganesh, Surveyor went to the Electrical Sub station. He told Venkati and others not to consume liquor in the Electrical sub station. Then, Venkati argued with him and hit him on his face and head with hands. The petitioner joined with him and hit him on his face, chest and body. His shirt and banian were torn-off.

Statements of K. Ashok Kumar, Asst. Engineer, and V. Ganesh, Surveyor were also recorded.

8. The evidence on record clearly shows that the petitioner and others gathered in the Electrical Sub station and consuming alcohol. There was exchange of words between the Colliery Manager and the Petitioner and others. The petitioner manhandled the Colliery Manager.

I consider that the charges against the petitioner are proved and the punishment of removal of the petitioner from the service is in proportion to the charges. Hence, I answer the point accordingly.

In the result, this petition is dismissed. The order of dismissal of the petitioner from the service is confirmed. Each party do bear their own costs.

Typed to my dictation, corrected and pronounced by me in the open court on this, 28th day of February, 2001.

Katakam Venkataiah,
Ex-Tub Repairing Mazdoor,
of Srirampur, 3 Incline,

Petitioner

AND

The General Manager,
M/s. S.C. Co. Ltd.,
Sreerampur Area.

Respondent

This petition coming before me for final hearing in the presence of Sri K. V. Pratan, Advocate for the petitioner and of Sri C. S. N. Reddy, Advocate for the respondent and having stood over for consideration till this date, the court passed the following :

AWARD

1. This is a reference by the Government of India, Ministry of Labour. A tub repairing Mazdoor by name K. Venkataiah reported for duty at 7.00 A.M. on 31-8-96, but he died due to heart attack. The question is whether the legal heirs

Late Katakam Venkataiah are entitled to full wages of Katakam Venkataiah for the day he died due to heart attack.

The legal heirs of Katakam Venkataiah filed claim statement stating that the deceased Katakam Venkataiah was working as Tub repairing Mazdoor. He reported for duty at 7.00 a.m., on 31-8-96. During the course of employment, he suffered chest pain. He was taken to Singareni dispensary. He was declared dead at the hospital. It is further stated that since Katakam Venkataiah was discharging duties at the time of his suffering pain in the chest, he was entitled to full wages for the day i.e. 31-8-96.

2. Respondent filed counter stating that the deceased Venkataiah just booked his In-muster at 7.00 a.m., on 31-8-96. While booking the In-muster, he complained chest pain and collapsed suddenly. He was taken to company's dispensary where he was declared dead due to cardiac arrest. He died before he was booked for duty.

3. Ex. W-1 to Ex. W-3 and Ex. M-1 to Ex. M-6 are marked.

4. Heard both sides.

5. The point for consideration is whether the deceased Katakam Venkataiah died while discharging duty.

6. POINT. Ex. W-1 is copy of F.I.R. It shows that the deceased Katakam Venkataiah suffered chest pain between 7.30 a.m., and 8.00 a.m., on 31-8-96 while he was on General shift duty. He was taken to the S.R.P. dispensary. He was declared dead.

Ex. W-2 is copy of Post Mortem certificate.

Ex. W-3 is copy of Final result U/s. 173 Cr. P.C. It shows that Katakam Venkataiah died due to heart attack.

7. Ex. M-1 is copy of Register.

Ex. M-2 is accident report. It shows that Katakam Venkataiah was suffering from chest pain at 7.30 hours on 31-8-96.

Ex. M-3 is a medical slip from the dispensary stating that Katakam Venkataiah was brought dead at 8.00 a.m., on 31-8-96. Suspected cardiac arrest.

8. As per Ex. M-2, the deceased Katakam Venkataiah suffered chest pain at 7.30 a.m., itself. He was taken to the dispensary at 8.00 a.m., and he was declared dead.

There is no evidence to show that the deceased died while discharging duty.

9. As per Ex. W-1, the petitioner was holding tools and sitting in the Tub repairing section. It shows that he was not doing work at the time when he suffered chest pain. He died before 8.00 a.m.

I, therefore, consider that the deceased Katakam Venkataiah died before booked for duty and before attending to duty. If the deceased Venkataiah did not die on that day and had he been alive, he would not have been entitled to full wages for that

day. Consequently, the legal heirs of the deceased Venkataiah are not entitled to claim wages for the day the deceased Venkataiah died. Hence, I answer the point accordingly.

In the result, the reference is answered against the legal heirs of the deceased Katakam Venkataiah. The legal heirs of the deceased Katakam Venkataiah are not entitled to claim wages for the day when the deceased Katakam Venkataiah died because he died due to heart attack before attending to duty.

Typed to my dictation, corrected and pronounced by me in the open court on this, 28th day of February, 2001.

AWARD

The Govt. of India, Ministry of Labour, New Delhi by its Order No. L-22012/337/97-IR(C-II) dt. 27-11-1998 referred the following Industrial Dispute under Section 10(1)(d) and 2(A) of Industrial Disputes Act, 1947 to this Tribunal for adjudication :

"Whether the action of the management of M/s. S.C.C. Ltd., Godavarikhani, Ramagundam-I Area, in disempanelling Shri Theetla Kantiah, Ex. Badli Filler, Godavarikhani-5A Incline with effect from 11-12-90 is legal and justified and whether he is entitled for re-instatement from 11-12-90 with back wages? If not, what relief the concerned workman is entitled to?"

Both parties appeared and filed their respective pleadings.

2. The concerned workman filed claims statement which is briefly stated as under : Sri Theetla Kantiah concerned workman hereinafter called as

'petitioner' was appointed as Badli Filler in 1986. Since then he discharged his duties satisfactorily. On 4-1-1989 the petitioner fell sick and sent information to the respondent through his family members. He could not recover inspite of regular treatment. He was attacked with jaundice. He could not move out from bed. On the advice of parents and elders, he shifted to his native place at Rakaldevapally for taking unani medicines. After recovery, he reported for duty in May, 1989 but the management instructed the petitioner to wait till he receives a letter from the management. He received a letter dated 10-12-1990 removing him from service with effect from 11-12-1990. In the dismissal order dated 10-12-90, it was mentioned that the petitioner was issued with charge sheet and it was published in Andhra Jyothi daily newspaper on 27-7-89. The petitioner did not received any charge sheet nor received any other document. The respondent published charge sheet in daily newspaper only to complete the formality and to provide no opportunity to him to defend his case. The petitioner appealed to the appellate authority along with relevant documents and Doctor Certificate for his absentism. However the same was not considered. An ex parte enquiry was conducted without affording any opportunity and proved the guilt of charges. The enquiry was conducted without following principles of natural justice. Hence prayed to set aside the dismissal order and to order reinstatement.

3. The respondent filed counter and in brief the averments are as under : The petitioner had lost his lien on the employment due to absconding from duty without any valid reason. So it is not attract under Section 2(oo)(bb) of I.D. Act. The petitioner was an habitual absentee and had been absent for more than 10 days without any intimation or prior permission. A notice-cum-charge sheet was sent to the petitioner for his absence from duty, for which he failed to reply to the same. Hence notice was published in local Telugu Newspaper on 27-7-89. Taking lenient view the management permitted him to continue his duties subject to enquiry, which he failed to attend and even after this, he continued to remain absent. The respondent-establishment is a Central Government Organisation and the reference is to be made by the Central Government. Hence the reference is bad. Ever since the date of appointment, the petitioner had only 88 muster in 1986, 173 musters in 1987, 127 muster in 1988, 24 musters in 1989 and 11 muster in 1990. The management showing a lenient view had given him an opportunity to try and reform himself and become regular. However he continued with his vagrancy. Full-fledged and well equipped medical facilities are provided at Ramagundam Hospital itself. Where the petitioner failed to go and report for medical treatment. It is evident from claims statement that when the charge sheet dated 6-6-89 was sent to the petitioner, the same was returned. He also did not respond to the paper notification. It is not a case of termination. The petitioner's absenteeism is a grave charge which cannot be taken lightly as it has an adverse effect on industrial discipline. This case is not one of termination or removal from service but it is a case of absenteeism. Hence the petitioner is not entitled for any relief as claimed for.

4. The point for adjudication is whether the action of the Management of Singareni Collieries Company Limited in dispanelling Shri Theetla Kantiah, Ex. Badli Filler, Godavarikhani-5A Incline with effect from 11-12-90 is legal and justified and whether he is entitled for reinstatement from 11-12-90 with back wages. If not, what relief the concerned workman is entitled to?

5. The petitioner-workman has questioned the legality and propriety of the impugned order dated 10-12-90 taking the stand that the management has conducted an ex parte enquiry behind his back and that he was neither served with charge sheet nor served with enquiry notice and the said enquiry is opposed to the principles of natural justice, even otherwise the punishment of dismissal imposed by the respondent-management is disproportionate to the charges framed against him.

6. After hearing both sides and considering the documents filed by the management, this Tribunal passed an order dated 16-11-2000 holding that the domestic enquiry proceedings are valid and without prejudice to the rights of the workman, the merits of the case would be considered at the stage of final arguments, in proof of the charges and as well as in respect of proportionality of the punishment for the misconduct alleged against the workman.

7. During the final arguments, on the side of the management Exs. M1 to M6 record pertaining to the enquiry proceedings were marked with the consent of the petitioner's counsel. On the side of the workman, no documents were filed or marked.

8. It is an undisputed fact that the petitioner absented from duty from 4-1-1989 and he has not applied for sanction of leave. The workman has also admitted in his claim statement that on account of his sickness from 4-1-89 onwards he could not attend for duty and that for treatment he left to his village where he took some unani medicines and stayed there until he recovered from illness. In case any workman absents from duty without leave or prior permission and his absence without cause as per Company's Standing Order No. 16(16), the absence exceed for period of 10 days amounts to misconduct for which the management has right to take necessary disciplinary action. It is not at all the case of the petitioner that he had applied for permission or leave before he left the duty on 4-1-89 or that for the absent period from 4-1-89 to 6-6-89 he sent any application for grant of leave along with medical certificates in support of his sickness. According to the workman he reported for duty in May, 1989 on which date he was asked to wait for communication of the orders and that he received letter dt. 10-12-90 dismissing him from service. There was no necessity for the management to publish the charge sheet in a daily Telugu Newspaper on 27-7-89 and as an empty formality to deny the opportunity to defend himself the enquiry was proceeded behind his back. So the action of the management in dismissing from service would amounts to termination as the said order is illegal and arbitrary.

9. Whereas the management's stand is that since

than 10 days without sending any intimation and taking permission, a notice-cum-charge sheet was sent to the petitioner and followed by it, the enquiry notice was published in Telugu Newspaper on 27-7-1989 fixing the date of hearing. When the petitioner turned up for duty after 6-6-89, taking lenient view he was permitted to continue subject to proceeding with the enquiry but he failed to attend the enquiry and therefore he continued to remain absent. Notice-cum-charge sheet sent to the leave address of the workman was returned unserved and therefore it was displayed on the notice board and the enquiry was proceeded with on 17-8-1989 by examining the witness before the Enquiry Officer and when the enquiry officer had recorded the statements and submitted his enquiry report holding that the charge levelled against the petitioner for absents from duty from 4-1-89 to 17-8-1989 has been proved attracting the company's standing order 16(16) and on the basis of the enquiry findings, Ex. M6 final order was passed on 10-12-1990 to dismiss the workman from service with effect from 11-12-1990.

10. The learned counsel for the petitioner has argued that the service of charge sheet sent by RPAID is not a personal service and that the publication of enquiry notice in a newspaper cannot be attributed as personal knowledge to the workman to attend to the enquiry. So the domestic enquiry cannot be considered as a true enquiry and holding the enquiry behind back amounts to violation of principles of natural justice. Even otherwise the workman who has worked for a period of 3 years and for the simple lapse of absence from duty cannot be imposed with a severe punishment of dismissal which would affect his fundamental right to employment.

11. On the other hand it is urged for the management that the workman is expected to maintain certain discipline in discharge of his duties and company's standing orders are the rules and regulations which are framed for the discipline of the employees in the administration. Any violation of Standing Orders amounts to misconduct and that the management has a right to impose punishment by following the procedure. Accordingly for the misconduct committed by the workman herein, after giving opportunity and calling for the explanation, the enquiry was conducted and the impugned order was passed as such the same cannot be questioned either as illegal or as arbitrary. It is also contended that Ex. M1 charge sheet that was sent under Registered Post and the Postal endorsement of Ex. M2 is self explanatory. That registered cover was managed to be returned by the workman and that the address of the workman furnished on Ex. M2 is not questioned as incorrect. As such there is a presumption that the workman had sufficient knowledge of registered letter which was managed to be returned and that the management had no other alternative except to get the enquiry notice published in a newspaper as substitute service which is a notice to the public at large. Therefore the enquiry proceedings cannot be questioned as stage managed enquiry to deny the opportunity to the workman to defend himself in the enquiry. It is also contended that the question of proportionality of the punishment cannot be raised when the charge levelled against the delinquent was proved and the workman cannot be compelled to be taking lenient view as such

the petitioner is not entitled to be given any benefit of lenient views as per section 11-A of I.D. Act

12. Ex. M1 charge sheet dt. 6-6-89 was sent by registered post cover by Ex. M2 which cannot be disputed or denied. The particulars mentioned in Ex. M2 postal endorsement on the cover is also not disputed as incorrect address. The endorsement noted by the postman on Ex. M2 is self explanatory. From 9-6-89 to 16-6-1989 the concerned postman had continuously enquired about the addressee and noted as 'absent' and at last he made an endorsement as 'not known and insufficient address', with the said endorsement returned to sender. Under Section 114(e) illustration of the Evidence Act there is a presumption that the postman had taken the registered letter to the addressee. In the absence of any stand of the addressee that the address noted in Ex. M2 is not correct and until he rebut the presumption that 114(e) of the evidence Act he cannot question or dispute that he had no knowledge of sending the registered letter to his address. The Apex Court in it's judgement reported in 1995 Suppl. Page 518 (SCC Cases) held that notice must be deemed to have been served and it would be obvious that the addressee managed to have the notice returned with that endorsement so as to delay and drop the matter. Further as a substitute service which is permissible under law to get the notice published in a local daily vernacular paper which is the common media of news circulated in the towns, rural areas and its suburbs. In para 2 and Para 5 of the counter, the management has stated that subsequent publication of Ex. M3, the workman reported for duty and taking lenient view he has allowed to work pending enquiry. But subsequently failed to attend for duty. The management has recorded the attendance for 11 days during 1989 which shows that on commencement of the inquiry the workman had deserted the work. The circumstances disclose that there was an abandonment of service by the workman.

13. It is seen from Ex. M4 that the Enquiry Officer had recorded the statements of two witnesses and noted down the various dates of absence of the workman with reference to record that was produced. So on the basis of evidence produced during the enquiry the Enquiry Officer having been satisfied with the absence of the workman, has submitted the enquiry report holding that the workman had continuously absented from duty from 4-1-89 to 17-8-1989 which attracts the company's Standing Order 16(16). On the basis of Ex. M5 enquiry report the management had imposed the punishment for misconduct with consequential order dismissing him from service. S.O. 16(16) is to the effect that if the employee is found to be guilty of misconduct employer may impose the punishment of dismissal; invoking S.O. 16 which (16) reads as : continuous absence without permission and without satisfactory course for more than 10 days is a misconduct

14. There is no attribution, of bias against the Enquiry Officer or any Officials of the management by the workman to say that a stage managed enquiry was done so as to get rid of a workman hook or crook. Under the company's Standing Orders, certain rules are framed either for the employer or for

the employee which are to be followed for the purpose of Industrial piece and discipline. Either in a Government organisation or in a private organisation, the workman cannot absent for duty at his will and pleasure and after absents for a long time, he cannot prevail on the employer to take him back into service. The employer has to follow rules. Unless the leave is sanctioned and is allowed to join duty, the workman cannot continue on duty. It is a common feature that a procedure laid down is to be followed. Any prudent employee or worker when he proceeds on leave, has to apply for leave or in case of emergency of sickness he has to send leave application but no such steps were taken right from 4-1-89 till 6-6-89 which shows deliberate negligence for duty on the part of the workman herein. Even after joining the workman herein did not pursue to get himself defended in the enquiry. There was no alternative except to hold the enquiry and on the basis of enquiry report, the management had to take disciplinary action against the workman and the workman was himself responsible for omissions and commissions in discharge of his duty. Therefore, it cannot be attributed that there is any violation of principles of natural justice in conducting the domestic enquiry. Hence the charge of absents for duty by the workman is held proved.

15. As regards proportionality of punishment, Section 11-A has been invoked. However by means of Section the petitioner has a right for establishment lack of good faith or malafide on the part of the employer. Eventhough such a right is available the workman herein has not exercised his right to establish lack of good faith or malafide on the part of the employer showing that victimisation and unfair labour practice was adopted against him and show under what circumstances the workman was prevented from participating in the domestic enquiry proceedings. The learned counsel for the petitioner placed reliance upon a decision of Hon'ble Supreme Court in the case of D. K. Yadav vs. J.M.A. Industries Limited reported in 1993(3) SCC 259 in which the legal proposition is as under :

Termination of Service—Natural justice—Right of private employer to terminate service under Standing Orders—Certified Standing Orders have statutory force and therefore same must be in consonance with principles of natural justice and mandates Arts. 14 and 21—Automatic termination under certified Standing Order on absence without or beyond the period of sanctioned leave for more than 8 days—Principles of natural justice and duty to act in just, fair and reasonable manner must be read into the Standing Orders—Hence termination under Standing Order without holding any domestic enquiry or affording any opportunity to the workman, held violative of principles of natural justice, Arts. 14 and 21 of the constitution and S. 25-F of I.D. Act.

16. There is no dispute as to the principles laid down in the above decision but the facts in this case are quite different to the facts in that case. Where an employer by invoking Standing Orders terminates

the services of a workman for his continuous absence to duty without giving an opportunity or holding an enquiry such removal or dismissal would amount to termination of service attracting the Section 2(oo) R/W Section 25-F of I.D. Act and it violates the principles of natural justice. In the present case the dismissal order was not passed solely by invoking the company's standing orders for the misconduct. The misconduct attributed to the workman was proved by holding the domestic enquiry by sending intimation which the workman had failed to avail. So the punishment imposed will not amount to termination under Section 2(oo) of the I.D. Act. No doubt by means of Section 11-A, the Industrial Tribunal or Labour Court may reduce the punishment imposed by the management and it must be exercised judiciously and in order to reduce the punishment, the claim must be satisfactory. But in this case there cannot be any valid and satisfactory reasons while protecting the interests of the workman. It is also necessary to see for the advance in the progress of the industry keeping in view of harmony and industrial peace in between the parties. The workman herein was at first appointed in 1986 as temporary employee and in 1989 he became a permanent employee. During his short tenure of service, he became indiscipline and not regular in attending to his duty. It is a bad example for other workers and this sort of indiscipline is nothing but misconduct, so it is not desirable to take a lenient view and any interference with the punishment would be an interference with the managements rights and it will have detrimental effect to the progress of the industry and as such it is not a fit case to exercise judicious discretion in reducing the punishment.

17. In the result, an award is passed dismissing the claim of petitioner workman by confirming the impugned order Ex. M6 dt. 10-12-1990 passed by the respondent.
